Subject: FOIA Building Records Request
Attachments: example.jpg

Greetings! We're looking to obtain a report on building residential and commercial permits issued since 2010 until today. Please note: this is not a request for individual permit copies or records: we simply need a list (in Excel or PDF) that would include permit number, property address, descriptions of the work done, contractor information, and dates associated with the project - see attached screenshot as an example. Permits filed, issued, and signed would be ideal.

We will be requesting monthly updates going forward - is there an automated process we could sign up for in order to receive the monthly reports?

Much appreciated,
Bulty Team
