These strength characteristics will be combined with the metered flow (water or wastewater) to determine the actual pounds of BOD, suspended solids and chlorine demand.

Councilman

Presents the following Ordinance Seconded by Councilman

AN ORDINANCE AMENDING ORDINANCE #87-16
ESTABLISHING A PROGRAM FOR RECYCLING
IN THE BOROUGH OF CARTERET.

WHEREAS, THE Middlesex County Department of Solid Waste Management has required mandatory changes to the Recycling Ordinance of the Borough of Carteret;

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE BOROUGH OF CARTERET that Ordinance #87-16 shall be amended as follows:

Section 1. Collection program established.

There is hereby established a program for the separate collection of glass containers, aluminum cans and used newspapers from the residences of the Borough of Carteret for recycling purposes. There is also established a program mandating the separation and recycling of corrugated cardboard, high grade office paper, newspapers, glass containers and aluminum containers by commercial, industrial and institutional generators. This program shall also mandate the separation and recycling (composting) of leaves by all persons. Such collections shall be made under the supervision of a Recycling Coordinator to be appointed by the Mayor and with the consent of the Borough Council.

Section 2. Regulations Authorized.

The Recycling Coordinator is hereby authorized and empowered to establish and promulgate regulations as to the manner, days, and times of such collections and the bundling, handling, location and time of placement of all materials for collection, subject to the approval of the Mayor and Borough Council by resolution.

Section 3. Separation of glass containers, aluminum cans, and used newspapers from household solid waste.

Uncontaminated glass containers (clean and unbroken), aluminum cans (clean), and uncontaminated newspapers shall be kept separate from and not mixed with trash and household solid waste. Glass containers, aluminum cans, and used newspapers shall be considered clean and uncontaminated if they have not been exposed to substances or conditions rendering them unusable for recycling.

Section 4. Ownership of glass containers, aluminum cans, used newspapers.

From the time of placement at the curb by any resident of glass containers, aluminum cans, and used newspapers for collection by the Borough of Carteret or its authorized agent pursuant to the program established hereby and the rules and regulations issued hereunder, such materials shall become and be the property of the Borough of Carteret and it shall be a violation of this ordinance for any person other than authorized personnel of the Borough or the contributing resident to collect, pick up, or cause to be collected or picked up, such materials. Each such collection in violation hereof from one or more residences during said period shall constitute a separate and distinct offense.

Section 5. Additional methods of disposal.

Any resident may donate or sell glass containers, aluminum cans, or used newspapers to any person, partnership or

corporation whether operating for profit or not for profit. Said person, partnership or corporation may not, however, under any circumstances pick up said glass containers, aluminum cans, or used newspapers from the curbside.

Section 6. Private organization's quarterly reports.

Any private organization collecting recyclable materials as set forth in this ordinance shall provide the Borough of Carteret with timely reports as to the volume of material (tonnage) collected by such organization. These reports will be utilized by the Borough in qualifying for credits to the Borough of Carteret which may be authorized by the State of New Jersey pursuant to any statutes or administrative rules and regulations.

Section 7. Violations and penalties.

Any person, firm or corporation who violates or neglects to comply with any provision of this ordinance or any regulation promulgated pursuant thereto, shall, upon conviction thereof, be punishable by a fine not to exceed five hundred (\$500.00) dollars except that the maximum fine for failure to comply with Section 3 hereof shall not exceed twenty-five (\$25.00) dollars.

Additionally, any person, firm, or corporation who violates or neglects to comply as aforesaid shall be subject to denial of receipt of any refuse collection services from the Borough of Carteret, as well as any and all other legal remedies available to the Borough, until such time as said violation or neglect has ceased.

An enforcement officer shall be appointed by the Mayor with the consent of Council for a one (1) year term. Said officer shall be responsible for the enforcement of the Recycling Ordinance of the Borough of Carteret.

Section 8.

All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

There shall be an investigation fee paid to the Borough of Carteret prior to the issuance of the license to cover the cost of an investigation of the application by the Police Department, to ascertain the honesty and reliability of the applicant. Fingerprinting may be required as an investigative tool; however, if the applicant provides proof that his or her fingerprints are currently on file with any other municipality in the State, or if in the alternative the applicant has appropriate documented proof of a fingerprint clearance in another municipality, no more than thirty (30) days prior to the application in the Borough of Carteret, then that shall suffice as fingerprint clearance, provided that said clearance has been verified through the State Police and the Federal Bureau of Investigation.

D. The maximum waiting period to complete the investigative procedures for any applicant shall be seven (7) days from the date of the application. In instances of a renewal of a license, or where the applicant has a fingerprint clearance dated not more than thirty (30) days prior to the application, the waiting period shall be a maximum of twenty-four (24) hours.

E. The applicant shall present, at the time of his application, in addition to the photograph required for his or her identification badge, a written statement relating to his or her past history of arrests or convictions anywhere in the United States. All of the time periods mentioned in this chapter shall not commence until the photograph and the history of arrests and convictions, as well as the completion of the

application, are in the hands of the Borough of Carteret.

F. After the license has been issued, it is absolutely required that the solicitor wear the badge on the lapel or somewhere on the chest of the outermost garment being worn by such solicitor at all times that he or she is conducting his business from door to door.

G. The actual door-to-door solicitation shall never start before 9:00 a.m. and must terminate prior to sunset. Door-to-door solicitation after the hour of darkness is expressly forbidden.

H. Where an applicant has previously been licensed pursuant to this chapter, the investigation fee in Section 3.C may be waived in the discretion of the Chief who must then make a determination that the applicant is bona fide. Upon making such a determination, the Chief shall approve the application and notify the Supervisor.
