Additional Remarks

9/27/19 Opening Inspection

New Owner as of April 1, 2019 Adrian Romano.

Reviewed:

- Failure to prevent children from having access to kitchen and area behind the counter; must prevent all unauthorized persons (Such as owner and employees) from accessing food storage, food preparation and warewashing areas.
- Improper use of gloved hands to handle money or the appearance of using gloved hands to handle money when workers only take one glove off to handle money. NOTE: when you change tasks, handling money is a task, making food is a task, then you must wash hands and put on new gloves prior to your return to making food.

RISK-BASED INSPECTION REPORT

Fail Notes Summary

Code	Text
1.	PIC demonstrates knowledge of food safety principles pertaining to this operation.
2.1(c)2	New owner brought children to work but is not controlling them from accessing the kitchen where food is made or from going behind the counter where food is handled and packaged. This is reviewed during the conduct of this opening inspection and upon a recent complaint indicating the same. Owner agrees to ensure that no one, including children will be permitted to access these areas. Children are removed to the seating area before being taken home today. COS
6.	Handwashing facilities provided in toilet rooms and prep areas; convenient, accessible, unobstructed.
6.7(n)	Hand wash sink blocked from use; must always be accessible. Hand washing frequently is encouraged.
7.	Handwashing facilities provided with warm water; soap and acceptable hand-drying method.
6.7(j)	No paper towels at the hand wash sink. Must always be furnished to permit proper hand drying after washing.
13.	Food protected from contamination
3.3(z)	Food handler observed making food the working the register with gloved hand. Reviewed with owner and staff of the need to remove gloves when handling money and washing hands and putting on gloves prior to return to making food. COS
32.	Presence of insects/rodents minimized: outer openings protected, animals as allowed.
6.2(n)1, 2	Rear screen door does not operate properly. Should close tightly and automatically after every use to help keep pests out.
40.	Materials, construction, repair, design, capacity, location, installation, maintenance.
4.5(c)	White cutting boards are substantially soiled or discolored with knife marks and requires thorough cleaning or resurfacing.
50.	Adequate ventilation; lighting; designated areas used.
6.2(i)	Bare bulb in walk-in over food. Shielding, such as reinstallation of the globe, is required.
