Subject: OPRA request - All violations

Dear Nutley Township,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message. Now that the Mecca report has been released and there is and never was any criminal action, I request ALL 60 violations. I seek all the violations that were identified by the independent investigator from Montclair.

Alan Genentempo refused any notice of the violations until the report has been completed. The report is completed and I want the 60 violation. The allegation, the block, a lot the violation and the resolution of the individual complaint. Alan Genentempo used an investigation to prevent the violation. The investigation is completed and I want all 60 in the complete and related document.

This request is written in English.

Records requested: Rory

Yours faithfully,

Rory Moore
