| <p>Sam Kurter, resident of New Milford, contacted HQ mistakenly to report that there was a vehicle parked in his driveway that he did not recognize for approximately the last 5 hours. I informed Mr. Kurter that he had reached the Allendale Police Department instead of the New Milford Police Department. I then offered to call New Milford PD for him, and was successfully able to get in contact with them and give them his information so they could handle it further. No further issues, 10-8.</p> |                   |                |              |                                   |              |               |               |  |
