Notes							
Following Rave Reverse 911 was disseminated: Allendale Alerts: In an overabundance of caution, the Borough of Allendale has closed the Celery Farm until further notice. This is due to the increased fire risk as exhibited by the large amount of wildland fires in the state. In an effort to minimize potential ignition sources, the Chief of Police has declared that a temporary Emergency-No Parking Zone is established on one side of Franklin Turnpike in the area of the Celery Farm and in the Celery Farm parking lot. Signs have been posted. **Violations of Emergency No Parking can be issued under 252-8** Once the area receives substantial rain and the fire risk is reduced, the park will be reopened. Thank you for your understanding.
