On November 4, 2017 this officer was dispatched to 100 E. 38th St on a report of a Domestic Dispute. Upon arrival I spoke with the complainant Emiko Parchment. MS. Parchment stated she filed for a TRO on her husband. She then stated she contacted the police earlier today for her husband, Robert Parchment, to be served the TRO, while she was going to be away from the house. MS. Parchment then informed me when she came back to the house at approximately 1500 hours 2 Optimum Cable boxes were missing, along with a wireless router, and a modem. MS. Parchment also stated a few of her dinner plates were in the trash can. She also informed me that when she came back the door was unlocked and the alarm was not set. I advised MS. Parchment to contact the police for further assistance if needed.

Dispatched to 100 E. 78th on a Burglary in progress. Upon arrival, this officer canvassed the exterior structure and observed a broken glass on the west entrance door, however, the door was closed and locked from inside. Unit 107 Off. Torres/Off. Toledo and Unit 104 Off. Papagni were on scene.

Complainant/Owner Emily Parchment stated that while inside her apartment she heard the doorbell ring then a subsequent loud break to the above door.

She immediately called police and waited for our arrival inside her apartment. She stated she did not see anyone enter her apartment, however unsure if entry was made.

These officers conducted a property check inside the apartment but negative results.

Miss Hilbert,

Please be advised that a check by the record's division turned up no reports for that individual, on that date. You might want to advise the requestor to check with the fire department and see if there was an ambulance run report made.
