Narrative (continue on other side if needed)

Chief Alicia established Command upon arrival and notified county of smoke showing out the front door due to an oven fire. Beachwood EMS was on scene to treat a resident for smoke inhalation. Firefighters used Dry Chem extinguishers to knock down the fire and a fan to ventilate the house. Chief Alicia requested the Ocean County Fire Marshal's Office to investigate. Immediately upon returning to the firehouse, [redacted] complained of severe chest pains. He was rushed to Community Medical Center by members of the fire company where they confirmed he suffered a heart attack.
