Re: Open Public Records Act Request

Dear Anonymous:

The District is in receipt of your request for records under the Open Public Records Act. Specifically, your request sought:

“Any data or report on about 2020-2021 AP Scores, that reflects the number of percentage of Hispanic students who took at least one AP Exam and scored between 3-5.

and

Any data or report on about 2020-2021 AP Scores, that reflects the number of percentage of African American students who took at least one AP Exam and scored between 3-5.”

Your request is denied. The District has no records responsive to this request. See *Klock v. Newark Public Schools*, GRC Complaint No. 2013-242 (July 2014) (Finding that Custodian properly denied a request where there were no responsive documents); *Pusterhofer v. N.J. Dep’t of Education*, GRC Complaint No. 2005-49 (July 2005) (“The Custodian has certified that the requested record does not exist. Therefore, the requested record cannot be released and there was no unlawful denial of access”).

Sincerely,

Lisa Goldstein
OPRA Secretary/Custodian of Records

cc: Ms. Chari Chanley, Superintendent of Schools
