Effective October 5, 2021, applications for most land use authorizations and permits **must** be submitted **electronically**. Such applications include general permits, individual permits, water quality certificates, freshwater wetland waivers, and associated flood hazard area verifications. Paper applications will **NOT** be accepted for the aforementioned authorizations and permits.

Paper applications **will be** accepted for Letters of Interpretations, modifications to existing permits/authorizations, existing permits/authorizations, applicability determinations, Highlands Area applications, stand-alone Flood Hazard Verification determinations. If an application type is not listed on this form and you are unsure if a paper application is acceptable please visit <https://www.nj.gov/dep/landuse/contact.html>. For more information, please visit <https://www.nj.gov/dep/landuse/eservices/lur>

FEE CALCULATION TIPS:

- Whenever the calculation requires an acreage figure (including the Stormwater calculations), you will need to round UP to the nearest whole number, for example: 0.25 acres gets rounded up to one (1) acre or 2.61 acres gets rounded up to three (3) acres.
- The stormwater review fee is applied only one time per project, maximum of \$20,000, regardless of multiple applications.

APPLICATION(S) FOR: Please check each permit/authorization that you are applying for and fill in the calculated fee (for each) in the "Fee Paid" column
