Via email: [opra+request-41675-bdd1cb3b@requests.opramachine.com](mailto:opra+request-41675-bdd1cb3b@requests.opramachine.com)

Dear Ms. Koch,

The Borough of Glassboro received your Open Public Records Act (OPRA) request on April 17, 2023. The Records Custodian, Terri Fanfarillo, received your OPRA request on April 17, 2023. As such, this seven (7) business day deadline to respond to your request is April 26, 2023. This response to your request is being provided to you on the first business day after the custodian's receipt of said request.

The following records are being provided in their entirety and are responsive to your request.

Records requested:  
Please send the application for the self-storage facility located at 214 East High Street submitted by Vision 214 High QOZB, LLC.

Yours faithfully,

Vicki Koch

✓ Planning Board Application

These records are being transmitted to you via email at: [opra+request-41675-bdd1cb3b@requests.opramachine.com](mailto:opra+request-41675-bdd1cb3b@requests.opramachine.com), per your request. Pursuant to N.J.S.A. 47:1A-5.b., the cost associated with this request is nothing.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Borough of Glassboro to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail to the following at [grc@dca.state.nj.us](mailto:grc@dca.state.nj.us), or at their web site at [www.state.nj.us/grc](http://www.state.nj.us/grc).

The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

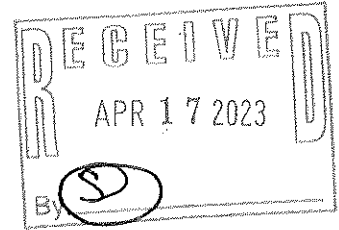

Sincerely,

A handwritten signature in cursive script, appearing to read "Kathy McLeer", followed by a long horizontal flourish.

Kathy McLeer  
Deputy Clerk  
Borough of Glassboro

**Addendum to Use Variance Application**  
**Glassboro Borough Zoning Board**  
**Visionstream LLC**  
**Block 33 Lot 8**  
**214 East High Street, Glassboro Borough**  
Prepared by Leah Furey Bruder, PP, AICP  
March 2023

The applicant proposes to construct and operate a three story, 115,572 square foot self-storage facility on the 5.75 acre property located at 214 East High Street in Glassboro. The subject lot is located approximately 260 feet east of the intersection with Delsea Drive (Rte 47). The property is undeveloped and is located within the I-1 Office Park and Light Industrial Park District. The property is constrained by the presence of freshwater wetlands on the south side of the site, with the developable area located on the northern portion of the site. The lot is surrounded to the north, east, west, and south by other lands in the I-1 district. Lots across East High Street to the north are within the R-2 residential district. Despite the office and industrial zoning, the surrounding properties are developed primarily with a mix of residential uses together with some office and service uses.

In accordance with section 107-110A, the I-1 zone permits offices, research facilities, manufacturing, fabrication and assembly operations, emergency care and outpatient facilities, utilities, restaurants, auto/truck sales, day care facilities, catering and banquet halls. The zoning also indicates that all storage areas shall be shown on an approved site plan. The zone does not specifically permit self-storage facilities. The applicant requests "D(1)" use variance relief to permit the self-storage facility use in the I-1 zoning district. The proposed use will be a low impact use compared to the permitted uses in the zone and the building has been designed with a manner that is compatible with the surrounding area. The building will be setback at least 58 feet from the closest property line and is set back 306 feet from the East High Street right-of-way. The proposed use will have minimal traffic impact on the roadway system, is compatible with nearby residential and commercial uses, and will provide a needed service to residents and small businesses in the area.

Though the site is within the I-1 Office and Industrial district, the area is developed with a mix of residential and commercial uses. In addition to the "D(1)" use variance the proposal requires a variance from section 107-110D(6) to permit a lot width of 92 feet where 200 feet are required for a lot over 80,000 square feet in area. The lot width is an existing condition that is not proposed to change as a result of the proposal. Though the lot width is 92 feet measured at the front yard setback, the lot widens substantially beyond the front yard setback in the area where most of the improvements are proposed. The configuration of the subject lot is suitable to a low impact self-storage facility that does not rely upon visibility from the roadway to ensure its success. The proposed use is a low impact commercial use that is well suited to this particular site. Though the proposal is for a use that is not specifically permitted in the zone, it will nonetheless advance the

purposes of the Borough's Master Plan. Approval of the requested use variance will enable this property to be put to productive use and to be improved and utilized in a manner that we believe is compatible with and complementary to the surrounding area.

Additional testimony in support of the requested use variance will be provided at the hearing.
