Re: Open Public Records Act #19-93

Dear Mr. Kratovil:

Your electronic correspondence to the New Jersey Schools Development Authority ("SDA") of even date regarding the above-referenced New Jersey Open Public Records Act ("OPRA") request has been forwarded to me for response. In reviewing same, it appears that you did not receive the SDA's response to your request.

Please be advised that the audio files of the SDA's board meetings for the requested months appear to be too large to transmit to you electronically. While we would typically mail you a CD with the audio recordings, I note that we do not have your mailing address for that purpose. Of course, if you care to provide a mailing address, we will simply send the CD to you. Otherwise, we would be happy to discuss alternate arrangements.

With the foregoing in mind, please feel free to contact Colleen Connolly of the SDA at (609) 858-5191 or CConnolly@njsda.gov. Thank you for your courtesies in this regard.

Very truly yours,

Desmond H. O'Neill
Senior Counsel
