Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On 08/28/2018 a court authorized search warrant was executed at 12 Frederick Drive Apt B-10 Bayville NJ. As a result of the search warrant a large quantity, approximately 500 individual dosage units, of suspected heroin was located inside the residence. During the course of this investigation it was learned that the residents of this apartment had been distributing heroin to numerous customers from inside the apartment as well as delivering the CDS to customers at various locations throughout Berkeley Township. During the interview process with the occupants of the apartment, they stated that they sell the heroin from the apartment as well as meeting their customers at different locations. Also during the course of these interviews it was learned that two other suspects, Joseph Collins and Frederick Meyers, were also involved in the transportation and pick up, distribution and possession of the heroin as well.
