Spring's warm weather often produces thunderstorms, which can cause power outages. If your power goes out, call 1-888-LIGHTSS (1-888-544-4877). For your safety, please treat all downed wires as live and dangerous. For more information on preparing for outages, visit www.firstenergycorp.com/storminfo.

For your safety, if your service has been disconnected, do not attempt to reconnect it. While this is illegal and could result in prosecution, removing a meter base or touching any of the wires can also cause death or serious injury through arcs of electricity, explosions or fire.
