Spring's warm weather often produces thunderstorms, which can cause power outages. If your power goes out, call 1-888-LIGHTSS (1-888-544-4877). For your safety, please treat all downed wires as live and dangerous. For more information on preparing for outages, visit www.firstenergycorp.com/storminfo.

For your safety, if your service has been disconnected, do not attempt to reconnect it. While this is illegal and could result in prosecution, removing a meter base or touching any of the wires can also cause death or serious injury through arcs of electricity, explosions or fire. Meters are only to be accessed by authorized utility personnel.

An important message to dog owners - to ensure that our meter readers' visits to your home are safe and productive, please keep your dog secured in an area away from the path to your meter.

All of our employees wear photo ID badges. Always ask for an employee's ID before letting anyone in your home. If you are still not sure, please call the company.

In January, bank draft (ACH) payments will be processed through ACI Speedpay. If you make automatic payments with a bank account, you will be transitioned into our AutoPay Bank Account program. If you make individual payments, you may need to update your bank details. Please note a new 50-cent service fee will be charged by the third-party payment processor beginning in January. You can avoid this fee by enrolling in the AutoPay Credit Card or AutoPay Bank Account programs. Please visit firstenergycorp.com/payFAQ for more information.
