Subject: OPRA request - Atlantic Highlands Police Department CAD Detail Reports with Officer narratives from 11/08/2024 to 11/15/2024.

Dear Ciaran Johnson,

The Atlantic Highlands Police Department needs to seek clarification on your OPRA request " CAD Detail Reports with Officer narratives from 11/08/2024 to 11/15/2024".

In order to better help get the documents you are looking for we need to narrow our search down within our records system.

Such clarification might be you are searching for Crash Reports within that time frame, DWI reports, arrests etc.

The way that our system works we need to have a specific search entry to be able to pull Officer Narratives or any CAD Reports that may exist for that time frame.

Any additional details will greatly help us to fulfill your request.

Thanks so much!

Sincerely,

Kristen Powell

This agency has reviewed your request for specific records to be released under OPRA which was transmitted to us as follows:

"CAD Detail Reports with Officer narratives from 11/08/2024 to 11/15/2024."

After seeking clarification, you responded with *"I would like to narrow down my request to CAD Detail Reports with Officer narratives related to DUI/DWI from 11/08/2024 to 11/15/2024."*

After a search of the Atlantic Highlands Police Department's Record System for the requested information there is one DWI arrest during the requested time period on 11/10/24. The CAD report for this case is being released to you along with the police blotter. **The officer narrative is not releasable at this time under N.J.S.A. 47:1A-3 as it relates to an investigation in progress that is inimical to the public interest. In particular, the municipal prosecutor has indicated that disclosure of these records could interfere with the prosecution as this is open and pending in court.**

Please contact us if you have any questions or concerns.
