Re: Response to Open Public Records Act Request

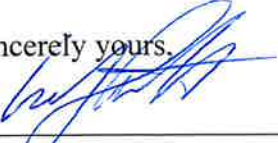

Dear Mr. Gottesman:

Please accept this correspondence in response to your Open Public Records Act ("OPRA") request, that was received by the Board on November 20, 2024. Public entities are required to respond to OPRA requests within seven (7) business days. Pursuant to correspondence of November 25, informing you that the District would require until December 6, 2024, to respond to your request, this response is timely. Your request sought the following:

1. Copies of all bills from the Attorney(s) hired to do an investigation relating to a dispute between Board members Battershill, Wentick, Riglioso and others which resulted after the issuance of a "Cease and Desist" letter to Ryan Battershill and Jennifer Battershill and is described in this article at this link: <https://www.tapinto.net/towns/hawthorne/>.
2. .Copies of all bills relating to ethics complaint defense for any ethics complaint filed against any members of the Wayne Board of Education from January 2024 to present.

Please be advised that your request is **granted**. Copies of the records you seek are attached hereto. Please note that any redactions are in accordance with OPRA and are due to either attorney-client privilege or information pertaining to a student of the District.

Sincerely yours,

William P. Moffitt
Business Administrator/Board Secretary
