STATE PUBLIC QUESTION No. 1

CONSTITUTIONAL AMENDMENT TO PERMIT CASINO GAMBLING IN TWO COUNTIES OTHER THAN ATLANTIC COUNTY

Do you approve amending the Constitution to permit casino gambling in two additional counties in this State? At present, casino gambling is allowed only in Atlantic City in Atlantic County.

Only one casino in each of the two counties would be permitted. Each casino is to be located in a town that is at least 72 miles from Atlantic City. The amendment would allow certain persons to apply first for a casino license.

INTERPRETIVE STATEMENT

At present, casino gambling is allowed only in Atlantic City in Atlantic County. This amendment would allow the Legislature to pass laws to permit casino gambling to take place in two other counties in this State.

Only one casino in each of the two counties would be permitted. Each casino is to be located in a town that is at least 72 miles from Atlantic City. The amendment would allow certain persons to apply first for a casino license.

The laws passed by the Legislature would provide for the location and type of casinos and the licensing and taxing of the operation and equipment.

The amendment provides that the State's share of revenue from the operation of the two casinos and of the casinos in Atlantic City would be used for programs and property tax relief for senior citizens and disabled residents. It would also be used for the recovery, stabilization, or improvement of Atlantic City and other purposes as provided by law. Lesser portions would be used to aid the thoroughbred and standardbred horsemen in this State and each town and county in which a casino is located.

STATE PUBLIC QUESTION No. 2

CONSTITUTIONAL AMENDMENT TO DEDICATE ADDITIONAL REVENUES TO STATE TRANSPORTATION SYSTEM

Do you approve amending the Constitution to dedicate all revenue from the State motor fuels tax and petroleum products gross receipts tax to the Transportation Trust Fund?

This amendment would provide that an additional three cents of the current motor fuels tax on diesel fuel, which is not dedicated for transportation purposes, be dedicated to the Transportation Trust Fund. In doing so, the entire State tax on diesel fuel would be used for transportation purposes. The entire State tax on gasoline is currently dedicated to the Transportation Trust Fund and used for transportation purposes.

The amendment would also provide that all of the revenue from the current State tax on petroleum products gross receipts be dedicated to the Transportation Trust Fund. In doing so, the entire State tax on petroleum products gross receipts would be used for transportation purposes.

This amendment does not change the current tax on motor fuels or petroleum products gross receipts.

INTERPRETIVE STATEMENT

This amendment would dedicate all of the revenue from the State tax on motor fuels to the Transportation Trust Fund. The current dedication is 10.5 cents per gallon on gasoline and diesel fuel. The amendment would include an additional three cents of the tax on diesel fuel that is not currently dedicated. The total revenue from the tax on motor fuels this fiscal year is estimated to be \$541 million.

The amendment also dedicates all of the revenue from the tax on gross receipts of the sale of petroleum products to the Transportation Trust Fund. The current minimum dedication is \$200 million per year. This fiscal year, the revenue from the tax on gross receipts of the sale of petroleum products is estimated to be \$215 million.

The amendment does not change the current tax on motor fuels or petroleum products gross receipts. The dedication to the Transportation Trust Fund ensures that the revenue is only used for transportation purposes.
