Attached is my response to #475-26. Mr. Miller has also filed another OPRA request #555-26 (attached) which I sent out to you and IT on Wednesday. Sincerely, Jessica L. Larney, RMC/CMR Assistant Municipal Clerk Deputy Registrar of Vital Statistics Office of the Township Clerk/Vital Statistics 401 Chambers Bridge Road Brick, New Jersey 08723 732-262-1003 From: Joanne Bergin Sent: Thursday, April 16, 2026 1:38 PM To: Jessica Larney Subject: FW: 221 Cherry Quay road Importance: High Can you provide me with a copy of the response to this OPRA? From: Stephen Krakovsky > Sent: Thursday, April 16, 2026 8:56 AM To: Joanne Bergin > Subject: 221 Cherry Quay road Good Morning Joanne I received this OPRA request on the 2nd and responded that we have no records related to the address listed. I spoke with Jay Carey this morning regarding the matter. He stated that in 2019, a violation was issued for bamboo at 221 Cherry Quay, and that the Township later signed off indicating the bamboo had been contained. However, he claims the issue has not been resolved and that recent snowfall caused the bamboo to bend and block his driveway. Mr. Carey is requesting information on who approved the sign-off. He also expressed concern that the property belongs to the parents of a Township employee and suggested this may have influenced how the matter was handled. Please advise on how you would like to proceed. Stephen Krakovsky Superintendent of Public Works 836 Ridge Road Brick, Nj 08724 732-451-4060 [cid:image001.png@01D9B8B7.8A763970]

Attachment:

Complaint CPT-26-00183

Location: 221 CHERRY QUAY RD

Address: 221 CHERRY QUAY RD

Origin Portal:

Type: Property Maintenance

Summary: Received a neighbor complaint regarding bamboo at this property. Claims he's been calling for months but there is nothing in the system. Claims we're ignoring the complaints because he is related to a Township employee. Please investigate.

Dear Brick Township, Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-5(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request. I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States. I WILL NOT use the requested government records for a commercial purpose. I AM NOT seeking records in connection with a legal proceeding. Records requested: Dear Ms. Larney, Thank you for your response dated April 7, 2026 and for providing the 2019 violation record. I appreciate your assistance. Based on that record, I am submitting a new OPRA request for additional records related to this matter. --- Scope of Request All records related to bamboo, vegetation, overgrowth, and/or sight obstruction associated with the property located at 221 Cherry Quay Road and the adjacent roadway area. This request specifically includes all records related to the 2019 violation and any follow-up, monitoring, compliance, or enforcement actions thereafter, including but not limited to: ##### 1. Enforcement & Compliance Records - Proof of compliance - Re-inspections or follow-up inspections - Compliance verification or sign-off - Photographs or documentation used to determine compliance - Closure justification, including any documentation supporting the decision to mark the violation as "closed" - Any determination to close or not pursue further enforcement action ##### 2. Complaints & Incident Records - All complaints (formal or informal), including: - Emails - Call logs - Field notes - Internal tracking records ##### 3. Internal Communications - All internal communications, including: - Emails - Memoranda - Notes - Interdepartmental correspondence Between or within: - Code Enforcement - Engineering Department - Police Department - Public Works - Any other relevant township personnel ##### 4. Safety & Visibility Concerns - Any records referencing: - Sight obstruction - Visibility limitations - Traffic or roadway safety concerns - Conditions affecting safe ingress/egress at or near the location --- ### Timeframe January 1, 2017 to present --- ### Search Parameters This request includes all locations where responsive records are reasonably likely to be found, including: - Departmental files - Shared drives or databases - Electronic records, including employee email accounts --- ### Additional Clarification This request includes records reflecting ongoing, recurring, or unresolved conditions, as well as any monitoring or follow-up after initial enforcement actions. --- If any portion of this request is denied, please provide the specific statutory basis for the denial and access to all segregable portions of otherwise exempt material. If no additional responsive records are located, please provide a written certification that a full and reasonable search was conducted. I request that all records be provided in electronic format where available. Thank you for your time and assistance. My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference. Yours faithfully, Steven Miller -----
