RE: OPRA Request

Dear Mr. Conley,

The Bedminster School District ("District") received an email request on September 10, 2024 for the following documents:

- 1. The current contract between the Board of Education and GenPsych.*
- 2. Past 7 school years of contracts that the Board of Education has had with GenPsych.*
- 3. Any type of Service Level Agreement or Addendums/Riders the Board of Education has to the current GenPsych contract.*
- 4. Any type of Service Level Agreement or Addendums/Riders that the Board of Education has associated with any GenPsych contract in the past 7 school years.*

On September 10, 2024, the District responded to advise that your email would be treated as an Open Public Records Act ("OPRA") request. As such, the seven (7) business day deadline to respond to your request is September 18, 2024. Therefore, the District is timely in responding to your request in accordance with New Jersey law.

The Bedminster School District has not had a contract or any other service agreement with GenPsych currently or within the last seven (7) school years.

Your OPRA request has been deemed answered and closed. Thank you for your attention to this matter.

Sincerely,

Eulalia Gillis
Interim Business Administrator
