1	yes	N.J.S.A. 34:13A-8.2 requires public employers, including municipalities, to file with the Public Employment Relations Commission (PERC) a copy of all contracts negotiated with public employee representatives. This includes, but is not limited to, collective bargaining agreements, memoranda of understanding, contract amendments, and "side letter" or "side bar" agreements. Copies of same may be emailed to contracts@perc.state.nj.us . Has your municipality filed all current contracts with PERC?	
2	yes	Has your municipality adopted a written vehicle use policy prohibiting personal use of municipal vehicles (except for commuting), and providing that employees authorized to use such vehicles for commuting to/from work have a fringe benefit value added to the gross income reported on the employee's W-2 (unless the vehicle meets the "qualified non-personal vehicle" criteria specified by the IRS)? Only answer "N/A" if your municipality does not have any municipally-owned vehicles.	
3	n/a	Active monitoring management of a municipality's ratable base is fundamental to helping ensure fiscal stability. There should be communication with the municipal tax assessor to ensure that the municipality has sufficient time to factor potential exposure to tax appeal judgements into their budgetary planning. <u>Does your municipality have an established written policy requiring its tax assessor to notify the chief financial officer and the governing body of all tax appeals upon filing, but no later than June 1st each year?</u> The policy should, at minimum, require the assessor's report to break down by property class the number of pending appeals, the current assessed value, and the reduction in assessed value if all appeals were successful. If there are appeals for which complete information is unavailable as of June 1, those appeals should be reported as information becomes available. Only answer "N/A" if your municipality is in Gloucester County (county assessor pilot program) or participates in the Monmouth County assessment demonstration program. A Director's Ratio of lower than 85 percent generally denotes lack of uniformity in assessments and indicates a need for revaluation. <u>N.J.A.C. 18:12A-1.14</u> . If the ratio of assessed values to market values in your municipality is <u>presently less than 85%</u> , has your municipality at minimum awarded a contract for the <u>updating of tax maps and earmarked funds in its budget for the hiring of relevant firms and/or professionals?</u>	ratio is 100% due to Monmouth County pilot

8	yes	Many municipalities have created one or more authorities (including fire districts, utilities authorities, redevelopment authorities, housing authorities, port authorities, etc.) to provide greater focus and attention on addressing a public need, or to reduce governing body burdens. While creation of an authority is often appropriate, and many authorities successfully fulfill their missions, authorities with weak membership or insufficient local-level monitoring can become wasteful, inefficient and unresponsive to the public they serve. N.J.S.A. 40A:5A-20 allows a local governing body to dissolve an authority subject to certain parameters and with Local Finance Board approval. Municipalities should at least annually assess the authority or authorities they created and publicly discuss their findings and conclusions. Findings and conclusions should address whether their existing authorities 1) continue to serve the public interest, and 2) are more efficient than other potential alternatives in providing services and financing public facilities. <u>Within the past year, 1) has the above-referenced discussion appeared as a listed agenda item on a scheduled governing body meeting, and 2) do the findings and conclusion appear in publicly-available meeting minutes?</u> Please identify the meeting date under "Comments".	October 11, 2017 Agenda. Minutes will be approved on October 23, 2017.

If the answer is no, please list the repeat findings, along with the date the corrective action plan was submitted to DLGS, under Comments. 14	N/A	Pursuant to <u>N.J.S.A. 40A:11-25</u> , the Director of the Division of Local Government Services must approve all prequalification regulations enacted by contracting units subject to the Local Public Contracts Law. Prequalification requirements can be fixed according to experience, financial ability, capital, and equipment. Local Finance Notice 2016-12 goes into further detail concerning prequalification regulations under the Local Public Contracts Law. Is your municipality following the process set forth in <u>N.J.S.A. 40A:11-25</u> , including seeking Director approval prior to implementing and enforcing all prequalification regulations? 17	yes	Does your municipality exclude from healthcare coverage part-time elected and appointed officials (less than 35 hours per week)? Only answer "yes" if no part-time elected or appointed officials receive health benefits. If your municipality has part-time elected or appointed officials who elect to take State Health Benefits Program (SHBP) health benefits (or receive a waiver for not doing so) by virtue of serving in their position continuously since May 21, 2010, you must answer "No". If you answered "No", please list in the Comments section the name and title of each elected or appointed official receiving either health benefits or a waiver payment in lieu of health benefits.	
18	yes	Is your municipality collecting at least the amount set forth by the Chapter 78 Grid for health benefit contributions (or 1.5% of base salary, whichever is greater) for all officers and employees?	
19	yes	Payments for waivers filed before May 21, 2010, and maintained continuously since, cannot exceed fifty percent (50%) of the amount saved by the local unit as a result of the employee's waiver of coverage. For waivers filed on or after May 21, 2010, which is the effective date of P.L. 2010, c. 2, payments cannot exceed the lesser of twenty-five percent (25%) of the amount saved by the local unit as a result of the waiver, or \$5,000. When calculating an employee's waiver payment, the local unit must deduct the employee's healthcare contribution obligation from the total premium cost. Local units have sole discretion as to whether or not to offer employees payments for waiver of health benefits, and may offer waiver payments lower than the statutory maximum. Health benefit waiver payments are statutorily excluded from collective bargaining. See Local Finance Notices 2010-12 and 2016-10 for further discussion on health benefit waiver payments. <u>Does your municipality 1) refrain from paying waiver payments in excess of the statutory maximum; 2) deduct employee healthcare contribution obligations from the total premium cost when calculating waiver payments; and 3) refrain from incorporating healthcare waiver payments in any labor agreement?</u> "N/A" is only applicable where the municipality has a policy of not making payments in lieu of health benefits

20	yes	The Fair Labor Standards Act (FLSA) is a federal law requiring that overtime pay must be paid for all hours over 40 hours in a work week except for those employees classified as exempt and thus not entitled to overtime. Management employees such as elected officials, managers/administrators, municipal clerks, CFOs, public works superintendents, police chiefs and other department heads are typically classified as having exempt status and thus not entitled to overtime pay. Other municipal employees may also be classified as exempt under the FLSA (you should consult with labor counsel for more detailed guidance). Exempt status would also preclude overtime pay for time worked during emergencies, attendance at night meetings and participation in training sessions. Compensated leave time in lieu of cash payments is considered to be a form of overtime pay unless such leave is utilized in the same pay period. <u>Does your municipality refrain from paying overtime to employees classified as exempt under the FLSA?</u>	
21	no	<u>For any employees covered by a collective bargaining agreement, has your municipality instituted a policy to not compensate said employees for sick leave accumulated after a certain date?</u> If such provisions were imposed by an arbitrator in binding arbitration but the municipality is seeking to eliminate such a contractual obligation through collective bargaining, your answer can be "N/A". If answering "N/A", the municipality must identify under "Comments" each such provision imposed by an arbitrator, along with the status of the collective bargaining negotiations to eliminate each such provision.	
22	yes	Has your municipality instituted a written policy to not compensate non-union employees for sick leave accumulated after a certain date?

24	no	<u>For any employees covered by a collective bargaining agreement, has your municipality eliminated all longevity awards, bonuses or payments for employees hired on or after a specified date, and refrained from increasing any longevity awards, bonuses or payments for employees hired before a specified date?</u> The answer to this question can be "N/A" if such provisions were imposed by an arbitrator in binding arbitration but the municipality is seeking to eliminate such a contractual obligation through collective bargaining. If answering "N/A", the municipality must identify under "Comments" each such provision imposed by an arbitrator, along with the status of the collective bargaining negotiations to eliminate each such provision.	
25	yes	Employee personnel manuals or handbooks serve as a valuable tool to convey a municipality's policies, procedures and benefits. Many insurance carriers encourage the adoption of such a document and offer discounted rates for their use. These publications should review employees' rights and obligations in areas ranging from discrimination, safety, violence, and harassment to vacation and sick days, holidays, use of township vehicles, smoking and political activity, among others. <u>Has your municipality adopted or updated an employee personnel manual/handbook by resolution or ordinance within the last five years? If yes, please provide in the Comments section the date of the meeting at which the personnel manual was adopted or updated.</u>	Policy was amended at March 27, and October 11, 2017 Council meetings.
