A message from MONROE TWP

MTHS Friday Update January 20, 2023

Referendum Vote: March 14, 2023 – [Find information here.](#)

Class of 2023 – Get ready for Graduation – [Order your cap and gown here.](#)

[Order your 2023 Yearbook here.](#)

Parking Lot Reminders:

Parking: Twelfth-grade students with a parking pass and an assigned spot are the only students permitted to drive to school. Students must park in their assigned spots. Students without permission to park anywhere on campus may be subject to a police summons.

Juniors are not permitted to drive to school.

Thank you for following all drop-off procedures. Remember, student drop-off is at the rear of the building.

If you are picking up a student at the end of the day, please wait in **lots B, C, or D**. The front of the building is a Fire Zone, and cars cannot park or stand in that area.

Students are asked to use the sidewalks on and around campus. Students leaving the building at the end of the day, please be cautious when walking to the Concordia Shopping Center. Please remain on the sidewalks and **use crosswalks to cross the street.**

The **MTHS Key Club** is sponsoring a district-wide SOCK DRIVE. See the attached flyer for information.

All students must wear their **school IDs beginning February 1, 2023**. Lanyards and cases will be provided to all students next week, and we encourage students to begin wearing IDs as soon as possible.

January 22, 2023, is **Lunar/Chinese New Year** celebrating the beginning of the New Year on the traditional lunisolar and solar Chinese calendar. [This year is the year of the Rabbit.](#)

January 27, 2023, is [International Holocaust Remembrance Day](#) - This is an annual day of commemoration meant to honor the 6 million Jewish victims of the Holocaust as well as the other victims of Nazism. Additionally, the UN calls on all member states to educate to prevent future genocides.

[Athletics Schedule](#)

Congratulations to our **UNIFIED Basketball Team**, who competed against Old Bridge in their first game of the season. Their next game is scheduled for January 28 against Moorestown.

Congratulations to the **Footlights Club** for the thrilling Murder Mystery Theater.

Congratulations to the **Band and Music Programs** for their outstanding performance at the Winter Concert last night.

Upcoming Events:

Tuesday, January 24 – The CCCC **Parent AVID** program, 6:00 PM in the Performing Arts Center.

Wednesday, January 25 – Monroe Township Board of Education Meeting, 6:30 PM in the High School Media Center.

Thank you, and have a great weekend!

Kevin Higgins

Principal, MTHS

A message from MONROE TWP

Good Evening,

The Monroe Township School District Referendum 2023 Community Tour begins next week! Please see the attachment for information about upcoming events related to the March 14th Referendum.

Plans and detailed information related to the March 2023 Referendum Project are available on the district's official referendum website:
<https://referendum.monroe.k12.nj.us>.

For direct inquiries related to the referendum and how it may impact you and your family specifically, please contact
referendum@monroe.k12.nj.us.

All voters registered in Monroe Township are eligible to participate in this referendum vote. Please vote on Tuesday, March 14, 2023.

Referendum 2023: Responsive, Responsible, & Ready for the Future.

Subject: March - Building Meeting

Hi All,

There will be a building meeting w/ Bethanne to give you an MTEA Negotiations and Referendum update.

Our meeting is scheduled for Tuesday, March 7th @ 3:45 in the Library.

-

Reminders:

- Wear your red shirts - we'll take more group pictures and Noreen is setting up Friday raffles.
- On the third day of fall and spring conferences, there will be a half-session for students and staff.
- What's Happening in Your Classroom...if you have something going on in your class- a special project/activity - that you would like to share out for MTEA Social Media, please email Bethanne, Kerri Kirchner, or to me.

Thank you 😊

Enjoy your evening!

Subject: 117% Self-Contained Meeting

Good afternoon Bethanne,

I'm just following up to see if there is another date/time that you are available for the meeting you'd requested with Erinn and Scott? I'm going to remove the original meeting for tomorrow from Erinn's calendar pending a reschedule.

Thank you!
Wendy

Hi Bethanne,

Attached please find email with accompanying reports from Dr. Richard Lynch of Environmental Safety Management. We'll continue to work on addressing the roof and follow-up testing with Dr. Lynch as needed. I'll keep you apprised.

Ms. Graziano will share the information with her staff at Applegarth as well.

Please reach-out if you have any further questions.

Thank you,
jerry

Subject: RE: Applegarth - Water Damage 1/3/2023

Hi Bethanne,

As for the roof leaks, we believe much of the problem is related to ponding water resulting from a failed roof drain. We know the roof is old and out of warranty and hopefully will be addressed with a successful referendum March 14th. However, in the interim we are addressing the immediate problem. We brought a crew in Saturday and after much exploratory work found that the roof drain which feeds to a dry well has been significantly compromised by tree roots. Maintenance staff have I been working on excavating a replacing the drainage system (see photos). We also have temporary pool pumps staged on the roof to address standing water. Dr. Lynch was brought in this afternoon for inspection, testing and to answer staff questions. As always we will share out all of his reports and recommendations. As for attending to water in the room, we likewise brought custodial staff in over the weekend for additional cleaning and monitoring of the situation as well as bringing the head custodian in at 6 am so he too may inspect the rooms and if necessary have time to address any new or ongoing leaks...fortunately none to date. Finally next week the BG&T Committee will review the matter and provide direction for a possible alternate strategy for a quicker replacement of the roof.

Special recognition to Applegarth School Head Custodian Bill Shearn for tirelessly staying on top of this and tending to staff needs.

Please reach-out if any additional questions, and again we'll be sure to share out all of Dr. Lynch's data.

Thanks,
Jerry

Hello Jerry,

I am hoping that you will be able to provide me with an update on what is being done to mitigate the leaks and musty odor in room 11 in Applegarth School. I have attached the most recent pictures from Friday (1/6/23). On Friday when staff arrived at school, there were still water leaks, and the musty smell was very potent. In an attempt to dry out the classroom and remove the smell, all of the windows were open, therefore making it very cold. Because of all of those factors, Dawn assisted the teacher in moving the class/students into the library.

The staff's concern is that the longer that the water sits, the higher the likelihood that mold will form. There is also concern about water leaks in rooms 10 and 12 as well.

Moving forward, what will the next steps be to rectify the situation, so our staff and students have a safe and healthy environment to work in? Any and all insights would be greatly appreciated.

Sincerely,
Bethanne

Hi Bethanne,

I have a Dr appointment on 3/8 at 2:20 and can't make the negotiations update meeting. Just wanted to give you a heads up.

Hello MTEA,

Last evening the MTEA Negotiations Team met with the MTBOE Negotiations Committee for over three hours. We are continuing to negotiate in good faith for a fair and competitive contract. We have scheduled our next meeting for March 23, 2023, to continue the process.

Below and attached please find a schedule of our upcoming MTEA building meetings. We will be discussing negotiations and the referendum at each meeting.

We look forward to seeing you and answering any questions you may have concerning negotiations, the referendum, and any other matter.

MTEA BUILDING MEETINGS 2023		
Building	Date	Time
Applegarth	Tuesday, February 28 th	8:30 AM
Mill Lake	Wednesday, March 1 st	8:30 AM
Middle School	Wednesday, March 1 st	2:45 PM
Applegarth Hustle/Phones	Wednesday, March 1 st	4:00 PM
Woodland	Tuesday, March 7 th	7:40 AM
Barclay Brook	Tuesday, March 7 th	3:45 PM
Brookside	Wednesday, March 8 th	8:35 AM
MTHS	Wednesday, March 8 th	2:15 PM
Oak Tree	Friday, March 10 th	8:20 AM

In Unity,
Bethanne and Your Negotiations Team

BLACK HISTORY MONTH

As February comes to a close, we want to take a moment to commemorate Black History Month and celebrate the rich history and achievements of Black Americans.

This month provides an opportunity for all of us to reflect on the significant contributions made by Black individuals throughout history, from leaders like Dr. Martin Luther King Jr. and Rosa Parks to the groundbreaking achievements of contemporary figures like Kamala Harris and Barack Obama.

As a school district, we remain committed to creating an inclusive and equitable environment for all of our students and staff, where diversity is valued and celebrated.

Throughout the month, our students have engaged in activities, lessons, and discussions that highlighted the contributions of Black individuals to our society, as well as the ongoing work towards justice and equality.

As we move forward from Black History Month, let us continue to honor and celebrate the diversity of our community and the contributions of all individuals, regardless of their race, ethnicity, or background. We remain committed to providing a safe and welcoming space for all of our students and staff, and to fostering an environment where every individual is valued and respected.

Colonial Day in Farkas and Quinby's Fourth Grade

Students in Ms. Farkas and Ms. Quinby's class were transported back in time to the 1600-1700's during Colonial America! Students got to learn about and experience first hand different activities that those in Colonial America took part in. When learning about the history of quilt making, how it began in Colonial Times, and the role that women played in it, students decorated their own "quilt square" to represent themselves, then learned the art of sewing and sewed their square to another to make one, large Room 23 Family quilt! Students read about the history of quill pens, and practiced writing using a feather quill pen and ink using calligraphy letters. (It's a lot harder than it looks!) Students learned about the life of a child in Colonial times and about the games and toys that children played with. They played two games that originated in Colonial times: Jacks and Jacksticks (pick up sticks). Students also got to experience first hand the strenuous task of making butter by making their own!

Random Acts of Kindness!

On National Random Acts of Kindness Week, Ms. Farkas and Ms. Quinby's Class came up with many different ways to show kindness around the school! From leaving positive messages around the school, writing virtual Valentine's to St. Jude's patients, and taking over for our hardworking paraprofessionals to clean the cafeteria after each lunch, to writing uplifting messages outside in chalk for students and staff to see when leaving and entering the building, writing thank you cards for Applegarth staff, and leaving hidden positive message bookmarks in books in the library, the acts of kindness kept coming with the hope that others "pay it forward" to do the same.

"No act of kindness, no matter how small, is ever wasted" - Aesop

Black History Month Celebration

In addition to widespread classroom activities, the students at Applegarth celebrated Black History Month with the principal. With our paraprofessional staff assisting, students listened to a read aloud of *The ABCs of Black History*. Following the story, students rotated through five stations. At one station, they listened to the audio of *The Day You Begin* by Jacqueline Woodson. At another, they read about a famous scientist who built boats for the U.S. government. Students constructed their own vessels with the most efficient boat holding 168 pennies! Students listened to *Follow the Drinking Gourd* and analyzed how coded language was used to help escaped slaves make it to freedom. At another station, students listened to Martin Luther King Jr.'s speech and identified their own dreams for the world. Finally, students read about black American contributions to the arts. They designed a stamp for the US Post Office to honor the artist of their choice.

Read Across America

Applegarth is busily preparing for our Read Across America activities. Our PTA is arranging for guest readers to come into our school. Teachers each have a Dr. Seuss book that they are reading to their class and are in the process of decorating their doors for a contest. Our PTA donated a book for every child, which will be given away during this week. We are also holding a spirit week revolving around reading. Tune in next month to see some pictures of our fantastic doors!

STEM Activities

Fourth and fifth graders at Applegarth have been provided a wonderful opportunity to participate in a STEM club for several weeks. The students are using coding skills to build "robots". The media center is looking lively during this early morning STEM opportunity!

Spelling Bee Winner

Applegarth would like to shout out our school-wide spelling bee winner, Rishita Pradhan. Congratulations, Rishita!

Barclay Brook Elementary School

Barclay Brook – Black History Month

In celebration of Black History Month, Barclay Brook second grade students completed research projects about famous African Americans. After researching and learning about a specific person, the students wrote up their facts in the form of a "Guess Who." Their work was displayed on the bulletin boards for all to read and see.

Barclay Brook – Pediatric Dentist Visit

February is National Children's Dental Health Month, and we were happy to have a local pediatric dental hygienist visit our kindergarten classrooms. Thank you to Ms. Toby from Monroe Pediatric Dentistry for visiting Barclay Brook and teaching our Kindergarten students about oral health and hygiene!

This month, in the library, our 1st graders experienced "Lights Out Library". Just as it sounds, we turned off all of the main lights in the library and shared our space lit only by table lamps. Even Storytime was done by lamplight! Students were invited to wear their pajamas on their library day. They could even bring a "lovey" to story time. When it was time for Book Shopping, each student was given a flashlight to more easily view the bookshelves and to find their library bags. They went in small groups to make the experience safe for all!

We read different nighttime themed stories and completed exciting "In the Dark" themed activities:

- We used shadow art to jumpstart our artwork
- We created Glow in the Dark artwork using dark colored construction paper and Glow in the Dark Glue and Gel
- We explored the night sky with the Skyview app and recreated a constellation on black construction paper using white construction paper crayons and silver glitter
- We learned about circuits and built our own working flashlights!

Barclay Brook School – 100th Day of School

The 100th Day of School is a milestone in elementary schools. Barclay Brook School hosted a themed spirit week which culminated on the 100th day of school, which was Friday, February 17th. Students were invited to dress in 100th day apparel or dress as if they were 100 years old!

Barclay Brook School Valentine's Day

Barclay Brook students created and colored more than 600 valentines that were shared with residents at our local assisted living facilities. We hope that this small act of kindness brought love and joy to many members of our community!

Second Grade Lego WeDo - Floodgates

Barclay Brook second grade students learned the impact that flooding and erosion have on our Earth. They also learned how people have created different solutions to prevent flooding in flood-prone areas. After learning how floodgates work to allow water flow downstream and moderate the water levels in reservoirs, students worked collaboratively to create their own floodgates! The floodgates were built with Lego WeDo kits, and after building their floodgates, students wrote a code through the Lego WeDo | app to make the floodgate motor operational.

Brookside Elementary School

Brookside School participated in the Scripps Spelling Bee this year. We began with all homeroom classes holding a class spelling bee. We have listed the names of the classroom winners below. We then had a school wide spelling bee with the class winners from the fourth and fifth grade classes where we named our school bee champion.

Third Grade Winners:

Savni Hiraskar from Mrs. Gallelo/Ms. Porzi's class; Klarisse Ureta from Mrs. Bertini/Mrs. Dempsey's class; Bhavisha Mehta from Mrs. Tolnes' class; Avani Kantamaneni from Ms. Schnier's class; Maneeth Komuravelli from Mrs. Jinks' class; and Ayan Karthekeyan from Mrs. Francese's class. Congratulations to our third grade winners!

Fourth Grade Winners:

Aakash Panchumarthy from Mrs. Corvinus/Mrs. Pavese's class; Shrivardhan Naragoni from Mrs. Manfredi/Mrs. Ratcliffe's class; Aadhna Prasanth from Ms. Ludmer/Ms. Cruz's class; Tashvi Prasanth from Ms. Herbstman's class; Gurdeep Kalsi from Mrs. Nagle/Ms. Hoppock's class; and Anushka Pradhan from Mrs. Freeman's class. Congratulations to our fourth grade winners!

Fifth Grade Winners:

Saiajay Rajesh from Ms. Bakerman/Ms. Forrest's class; Samarth Hiraskar from Ms. DeCarlo's class; Sreevatssa Damodharan from Mrs. Fennell/Ms. Anthony's class; Anika Patel from Mrs. Kipila/Mrs. McArdle's class; Shiv Dave from Mrs. Robinson/Mrs. Ours' class; and Anirudh Prayaga from Mr. Tortoriello/Ms. Cuzzo's class. Congratulations to our fifth grade winners!

School bee winners:

A tie for second place: Sreevatssa Damodharan and Shrivardhan Naragoni

School champion: Samarth Hiraskar

The winner of the school bee will go on to the next step toward the regional spelling bee.

Congratulations to all our spelling bee winners!

YEARBOOK COVER SELECTION

Each year the fifth grade students design a cover for the Barclay Brook/Brookside yearbook during art class for a chance for their cover to be selected to be used for the yearbook. This year our winners for the yearbook front and back covers are: Akshainie Akula and Ava Mioduszewski. Congratulations to our winners!

BROOKSIDE STUDENT COUNCIL

Brookside Student Council spring representatives have started their term with a Soup-er Bowl food drive. Signs for each team were set up in the cafeteria for the student body to donate their cans in support of the team they wanted to win the big game. The Eagles won by surpassing the Chiefs in can collections. Thank you to the student council students for sorting the food and thank you to everyone who donated to the drive.

BLACK HISTORY MONTH ACTIVITIES

Mrs. Francese's third grade class studied quotes from inspirational Black leaders. Each student picked a quote then analyzed the meaning behind it. After that, they reflected on what each quote means to them.

Ms. Hoppock's students had a biography sampling where they previewed different biographies of African American leaders who have made a difference in society. After "sampling" each biography, students chose the individual they would like to research. They created pennants and hung them in the hall to display all the facts they learned about their chosen individual.

Mrs. Manfredi/Mrs. Ratcliffe's class read about the life of Dr. Martin Luther King Jr. They talked about how words have energy and power and can help and heal the world. Together, they generated a list of words that come to mind daily. They created a bulletin board to share our thinking of others.

Ms. Bakerman and Ms. Forrest's class did a research activity for the bulletin board of heroic Black figures.

Mrs. Tolnes' class read the story "I am Martin Luther King Jr." by Brad Meltzer. As a class they questioned how one man was able to make such a powerful change. We discussed the idea of civil disobedience and worked to define the phrase. Students used context clues to determine that it meant calmly or peacefully breaking an unfair rule or law. When asked, "Why did this approach work?" The class determined that it was many people working together toward one goal that made Dr. King's efforts successful. To symbolize this cooperative work, they completed a portrait of Dr. King. Each student had to color one piece of the portrait and only when they came together could they see the true picture. Students also wrote about their dreams of the future which they shared with the school on their class bulletin board.

Mrs. Bertini/Mrs. Dempsey's class learned about a famous Black History Leader and completed an activity which highlights their importance such as: why we celebrate them, major events, life and legacy and important quotes. They completed pendants and they are displayed in the classroom.

Mrs. Nagle/Ms. Hoppocks' Class:

It was a time of turmoil in the British Colonies and it showed in Brookside School. Students in Mrs. Nagle and Ms. Hoppock's fourth grade class were involved in a debate taking the role of loyalists or patriots. Students researched famous people from the time period and prepared questions and responses to topics involved in the unrest and ultimate decision to break free from Great Britain. Students acted as though they were Benjamin Franklin, Thomas Hutchinson, and many others and shared why the Quartering Act, Stamp Act, and the Proclamation of 1763 were unfair or fair based on their perspective. By the end of the debate, just like in real life, it was decided that the country could not continue the way it was and the Patriots had decided to meet and declare their independence! The project really gave students the perspective of life during the mid to late 1700s. It was a joy to see them eager to participate!

Mill Lake Elementary School

February 22nd, & 23rd Mill Lake's Parent Teacher Conferences were an amazing success!
Thank you, Mill Lake Parents!

Mill Lake's Social Emotional Learning Parent opportunities during Parent-Teacher Conferences.

Monroe Township Middle School

MTMS chorus students auditioned to get into the CJMEA Intermediate Region Choir. 25 of our students made the ensemble. We had one student place first, and two students place second in their voice category. We are very proud of our singers!!

MTMS 7th grade Transportation Technology balsa wood bridge designs!

MTMS Students in Mrs. Hawxhurst's Digital Photography Class utilizing reflectors, studio light and Canon Rebel DSLR Cameras to capture images for their magazine cover designs. Fun was had by all!!!!

Happy Valentine's Day from Mrs. O'Grady's Art Students

Happy President's Day from Mrs. O'Grady's Art classes at MTMS!

The advisors of Builders Club as well as current and former student members recently attended the Kiwanis Family Prom and shared the information about all the activities that the MTMS chapter does to positively impact their community!

MTMS Team Spectrum partnered with the Blessing Bag Brigade to give back to the community. The Blessing Bag Brigade is a 501(c)(3) non-profit charitable organization that distributes high impact items in conjunction with food pantries, soup kitchens and schools to those in need across New Jersey. Throughout February, students, and families from the MTMS community made generous contributions of supplies. On February 17th, Team Spectrum students packed the supplies into 300 blessing bags to be distributed to the less fortunate.

Congratulations to our MTMS Students that successfully auditioned and got accepted into the Teen Arts NJ "Arts High" program for grades 6-8. They will be bussed to Middlesex County College each week to study with industry professionals in their selected artforms for several weeks culminating in a festival in early May.

MTMS Nurses are planning to hold a health fair on April 25th with help of Penn Medicine and the Builders Club.

MTMS will be running a Hoops Fundraiser on March 9th & 10th!

Congratulations to Christopher Muce for being named District 24 Assistant Coach of the Year!

Congratulations to the 100 students of MTMS who represented Monroe in a Broadway workshop on Wednesday, February 22nd. These students learned the music and choreography for a few selections from the musical HADESTOWN before seeing the show later that afternoon.

Oak Tree Elementary School

Dental Health Month at Oak Tree

Mrs. Corona's second grade class has been learning about "Caring For Your Body" during health lessons in February. They had a special visit from Oak Tree's nurse, Ms. McNutt, to discuss dental health. The students were very lucky to also have Raunak and Viraj Aurora's mom and Doctor of Dentistry, Dr. Nanda, distribute dental hygiene bags to each of our students to bring home to help make their smiles even brighter!

Hour of Code Night at Oak Tree

The Hour of Code, an introduction to computer science, is a worldwide movement that takes place each year during Computer Science Education Week. Led and organized by teachers Mrs. Dowe, Ms. Quidor, Ms. O'Larte, Ms. Guerrero, and Mrs. Anastasio, Oak Tree held an Hour of Code Night on February 2 both in-person and virtually. Third grade students and their parents worked side by side, in our media center and at home, coding through a Star Wars challenge. It was an incredible evening in which participants could learn the basics in a fun and interactive way.

Oak Tree's Comic Cart

The Oak Tree Comic Cart is a mobile cart that contains grade appropriate graphic novels. Graphic novels have been shown to spark the interest of reluctant readers and writers. They have become widely popular over the last few years. Many famous children's authors are now turning popular series into graphic novels as well! They help build confidence in readers, increase vocabulary, support comprehension, and encourage students to use dialogue in their own writing. The Oak Tree Comic Cart is a great resource for the third-grade teachers to bring into their classrooms to allow students to explore graphic novels and to use in their reading lessons.

Oak Tree Olympics

A schoolwide Olympics Day was held at Oak Tree on February 10 in which students in every class and grade participated in an array of fun activities including Speed Skating, Hungry Hippos, Yoga, and many other team building events. The day began with a parade of nations around the school with the Olympic theme song playing over the intercom. Mrs. Dinsmore led the parade, holding the torch high above her head. Accompanying her was the beloved Monroe Falcon. The hallways were filled with cheers! The afternoon ended with every student receiving a gold medal for their efforts and sportsmanship.

Students in both Ms. Longo's and Ms. Patti's second grade classes at Oak Tree Day Boxes participated in a Valentine's Day box decorating competition. Here are some of the highlights.

Woodland Elementary School

Woodland School News

Ms. Fleming's 5th grade class worked collaboratively with the students in Ms. Herman's class to learn about the Holocaust and Holocaust awareness. *The Butterfly* by Patricia Polacco was read aloud to both classes simultaneously. The butterfly in the story was representative of the children that were lost to the Holocaust. The lesson continued with a focus on how acts of kindness, like those that helped others during the Holocaust, can spread. After brainstorming acts of kindness, students created their own butterfly with acts of kindness noted on them."

Students celebrated World Read Aloud Day on February 1st with virtual author visits! Ms. Ciccarella's & Mrs. Rutherford / Mrs. Levitt's class listened to several authors. Students learned about the writing process and how so many authors get creative ideas from their own lives.

Student Council organized SOUPer Bowl -collecting cans/boxes of SOUP to help fight hunger in our town. All donations go directly to the Monroe Township Senior Center Food Pantry.

Students celebrated a fun spirit day: "Dress like a Teacher/Student" day!

Ms. Ciccarella's grade 4 class ended their unit on the American Revolution by playing with colonial toys, writing with a quill pen and weaving baskets.

Woodland School celebrated the 100th day of school on February 17th!

Hello MTEA,

Last evening the MTEA Negotiations Team met with the MTBOE Negotiations Committee for over three hours. We are continuing to negotiate in good faith for a fair and competitive contract. We have scheduled our next meeting for March 23, 2023, to continue the process.

Below and attached please find a schedule of our upcoming MTEA building meetings. We will be discussing negotiations and the referendum at each meeting.

We look forward to seeing you and answering any questions you may have concerning negotiations, the referendum, and

any other matter.

Hi Bethanne,

As for the roof leaks, we believe much of the problem is related to ponding water resulting from a failed roof drain. We know the roof is old and out of warranty and hopefully will be addressed with a successful referendum March 14th. However, in the interim we are addressing the immediate problem. We brought a crew in Saturday and after much exploratory work found that the roof drain which feeds to a dry well has been significantly compromised by tree roots. Maintenance staff have I been working on excavating a replacing the drainage system (see photos). We also have temporary pool pumps staged on the roof to address standing water. Dr. Lynch was brought in this afternoon for inspection, testing and to answer staff questions. As always we will share out all of his reports and recommendations. As for attending to water in the room, we likewise brought custodial staff in over the weekend for additional cleaning and monitoring of the situation as well as bringing the head custodian in at 6 am so he too may inspect the rooms and if necessary have time to address any new or ongoing leaks...fortunately none to date. Finally next week the BG&T Committee will review the matter and provide direction for a possible alternate strategy for a quicker replacement of the roof.

Special recognition to Applegarth School Head Custodian Bill Shearn for tirelessly staying on top of this and tending to staff needs.

Please reach-out if any additional questions, and again we'll be sure to share out all of Dr. Lynch's data.

Thanks,
Jerry

Hello Jerry,

I am hoping that you will be able to provide me with an update on what is being done to mitigate the leaks and musty odor in room 11 in Applegarth School. I have attached the most recent pictures from Friday (1/6/23). On Friday when staff arrived at school, there were still water leaks, and the musty smell was very potent. In an attempt to dry out the classroom and remove the smell, all of the windows were open, therefore making it very cold. Because of all of those factors, Dawn assisted the teacher in moving the class/students into the library.

The staff's concern is that the longer that the water sits, the higher the likelihood that mold will form. There is also concern about water leaks in rooms 10 and 12 as well.

Moving forward, what will the next steps be to rectify the situation, so our staff and students have a safe and healthy environment to work in? Any and all insights would be greatly appreciated.

Sincerely,
Bethanne

Subject: Fw: Applegarth - Water Damage 1/3/2023

Hello Jerry,

I am hoping that you will be able to provide me with an update on what is being done to mitigate the leaks and musty odor in room 11 in Applegarth School. I have attached the most recent pictures from Friday (1/6/23). On Friday when staff arrived at school, there were still water leaks, and the musty smell was very potent. In an attempt to dry out the classroom and remove the smell, all of the windows were open, therefore making it very cold. Because of all of those factors, Dawn assisted the teacher in moving the class/students into the library.

The staff's concern is that the longer that the water sits, the higher the likelihood that mold will form. There is also concern about water leaks in rooms 10 and 12 as well.

Moving forward, what will the next steps be to rectify the situation, so our staff and students have a safe and healthy environment to work in? Any and all insights would be greatly appreciated.

Sincerely,
Bethanne

Bethanne Augsbach

Monroe Township IT Department

A message from MONROE TWP

MTHS Friday Update – [1/27/23](#)

STUDENT DROP-OFF – All students not utilizing district transportation **MUST** be dropped off in the rear of the building in the AM. Students with injuries and other disabilities who receive permission may be dropped off in front of the building. All other students **MUST** use the student drop-off area in the rear of the building.

STUDENT PICK-UP – Cars waiting to pick up students in the PM should wait in lots B, C, or D. The front of the school is a Fire Lane; cars cannot park or stop there.

ALL STUDENTS are required to wear their school-issued student ID beginning Wednesday, February 1st. Any student without an ID can visit the main office for further instruction. Students have been supplied with lanyards and cases.

Scheduling – The parent request portal (Parent Access) will close Tuesday, January 31st. Counselors will begin to meet with students on February 1st. If you have any questions or concerns or missed the parent request window, please contact your child's counselor. The scheduling process will continue over the next few months.

February is Black History Month, an annual celebration of achievements by African Americans and a time for recognizing their central role in US History. During February, teachers will take time to focus on lessons about prominent African Americans and their contributions to our society, embedded in our regular curriculum.

Here are a few resources to learn about the origins and current theme of Black History Month

[History](#), [Theme](#), [Events](#), [Celebration](#), [Exploration](#)

There are 45 Days until the Referendum VOTE. Please view the [Referendum Website for more information](#).

Congratulations to our December Students of the Month **Hailey Higgins (12th Grade)**, **Sahil Ganghi (11th Grade)**, **Ashlee Jorgensen (10th Grade)**, and **Advait Baijulal (9th Grade)**.

Congratulations, **Coach Chris Jessop** for being named January's [NJSIAA "Coach For All Seasons"](#). Coach Jessop Coaches Girl's Soccer, Winter Track, and Spring Track. Mr. Jessop is also a member of our Science Department, teaching Forensics and Ecology.

[Athletic Schedule](#)

Good luck to our Wrestling and Swim teams competing in the GMC Tournament/Meet this weekend.

Follow Twitter [@monroeathletic](#) for updates.

Have a great weekend!

Kevin Higgins

Hi Bethanne,

Attached please find email with accompanying reports from Dr. Richard Lynch of Environmental Safety Management. We'll continue to work on addressing the roof and follow-up testing with Dr. Lynch as needed. I'll keep you apprised.

Ms. Graziano will share the information with her staff at Applegarth as well.

Please reach-out if you have any further questions.

Thank you,
jerry

Subject: RE: Applegarth - Water Damage 1/3/2023

Hi Bethanne,

As for the roof leaks, we believe much of the problem is related to ponding water resulting from a failed roof drain. We know the roof is old and out of warranty and hopefully will be addressed with a successful referendum March 14th. However, in the interim we are addressing the immediate problem. We brought a crew in Saturday and after much exploratory work found that the roof drain which feeds to a dry well has been significantly compromised by tree roots. Maintenance staff have I been working on excavating a replacing the drainage system (see photos). We also have temporary pool pumps staged on the roof to address standing water. Dr. Lynch was brought in this afternoon for inspection, testing and to answer staff questions. As always we will share out all of his reports and recommendations. As for attending to water in the room, we likewise brought custodial staff in over the weekend for additional cleaning and monitoring of the situation as well as bringing the head custodian in at 6 am so he too may inspect the rooms and if necessary have time to address any new or ongoing leaks...fortunately none to date. Finally next week the BG&T Committee will review the matter and provide direction for a possible alternate strategy for a quicker replacement of the roof.

Special recognition to Applegarth School Head Custodian Bill Shearn for tirelessly staying on top of this and tending to staff needs.

Please reach-out if any additional questions, and again we'll be sure to share out all of Dr. Lynch's data.

Thanks,

Jerry

Monroe Township IT Department

A message from MONROE TWP

MTHS Friday Update – 2/10/23

All students are required to wear their IDs in school.

Monroe Township High School is proud to announce the selection of our **Honors Wind Ensemble** to perform at Carnegie Hall on Tuesday, March 14, 2023. Congratulations to all the Honors Wind Ensemble students and their director, Mr. Martin Griffin.

Ticket information: carnegiehall.org | CarnegieCharge 212.247.7800 | Box Office at 57th & Seventh.

Tomorrow, February 11, the **MTHS Robotics Club** will host its annual VEX Robotics tournament. The Spin Up Challenge (this year's competition theme) is open to friends and family, and food and personalized goods will be available. Good luck to our team – see the attached flyer.

MTHS Robotics Team 96138A advanced to the Colts Neck VRC Competitive Robotics Tournament finals last weekend. MTHS has never advanced past the quarterfinals in our school's history. Because of this performance, MTHS has earned a spot in the VEX Robotics NJ State Championship to be held in Bell Works (Holmdel, NJ) on March 4. Please come, join us, and support the team! Congratulations to all our hardworking students!

Ruhi Kulkarni (Grade 11) is one of the winners of the Spanish Honor Society (SHS) Bertie Green Junior Travel Award. This travel scholarship award is highly competitive, and Ruhi was one of only 18 SHS winners selected nationally for this experience in Costa Rica. Ruhi is only the second SHS winner ever at MTHS to win this scholarship.

[Monroe School District Referendum](#)

[Athletics Schedule](#)

Good luck to all our teams competing in GMC and NJSIAA Tournaments.

January 17 & 18 is [Lailat Al Miraj](#) – Considered one of the most important holidays celebrated by Muslims worldwide.

January 18 is [Maha Shivrati](#) – A major Hindu festival celebrated in honor of Lord Shiva.

Have a wonderful weekend.

Kevin Higgins

Principal, MTHS

Hello MTEA,

Last evening the MTEA Negotiations Team met with the MTBOE Negotiations Committee for over three hours. We are continuing to negotiate in good faith for a fair and competitive contract. We have scheduled our next meeting for March 23, 2023, to continue the process.

Below and attached please find a schedule of our upcoming MTEA building meetings. We will be discussing negotiations and the referendum at each meeting.

We look forward to seeing you and answering any questions you may have concerning negotiations, the referendum, and any other matter.

MTEA BUILDING MEETINGS 2023		
Building	Date	Time
Applegarth	Tuesday, February 28 th	8:30 AM
Mill Lake	Wednesday, March 1 st	8:30 AM
Middle School	Wednesday, March 1 st	2:45 PM
Applegarth Hustle/Phones	Wednesday, March 1 st	4:00 PM
Woodland	Tuesday, March 7 th	7:40 AM
Barclay Brook	Tuesday, March 7 th	3:45 PM
Brookside	Wednesday, March 8 th	8:35 AM
MTHS	Wednesday, March 8 th	2:15 PM
Oak Tree	Friday, March 10 th	8:20 AM

In Unity,
Bethanne and Your Negotiations Team

Subject: RE: Applegarth - Water Damage 1/3/2023

Hi Bethanne,

As for the roof leaks, we believe much of the problem is related to ponding water resulting from a failed roof drain. We know the roof is old and out of warranty and hopefully will be addressed with a successful referendum March 14th. However, in the interim we are addressing the immediate problem. We brought a crew in Saturday and after much exploratory work found that the roof drain which feeds to a dry well has been significantly compromised by tree roots. Maintenance staff have I been working on excavating a replacing the drainage system (see photos). We also have temporary pool pumps staged on the roof to address standing water. Dr. Lynch was brought in this afternoon for inspection, testing and to answer staff questions. As always we will share out all of his reports and recommendations. As for attending to water in the room, we likewise brought custodial staff in over the weekend for additional cleaning and monitoring of the situation as well as bringing the head custodian in at 6 am so he too may inspect the rooms and if necessary have time to address any new or ongoing leaks...fortunately none to date. Finally next week the BG&T Committee will review the matter and provide direction for a possible alternate strategy for a quicker replacement of the roof.

Special recognition to Applegarth School Head Custodian Bill Shearn for tirelessly staying on top of this and tending to staff needs.

Please reach-out if any additional questions, and again we'll be sure to share out all of Dr. Lynch's data.

Thanks,
Jerry

Subject: Fw: Applegarth - Water Damage 1/3/2023

Hello Jerry,

I am hoping that you will be able to provide me with an update on what is being done to mitigate the leaks and musty odor in room 11 in Applegarth School. I have attached the most recent pictures from Friday (1/6/23). On Friday when staff arrived at school, there were still water leaks, and the musty smell was very potent. In an attempt to dry out the classroom and remove the smell, all of the windows were open, therefore making it very cold. Because of all of those factors, Dawn assisted the teacher in moving the class/students into the library.

The staff's concern is that the longer that the water sits, the higher the likelihood that mold will form. There is also concern about water leaks in rooms 10 and 12 as well.

Moving forward, what will the next steps be to rectify the situation, so our staff and students have a safe and healthy environment to work in? Any and all insights would be greatly appreciated.

Sincerely,
Bethanne

Subject: March - Building Meeting

Hi All,

There will be a building meeting w/ Bethanne to give you an MTEA Negotiations and Referendum update.

Our meeting is scheduled for Tuesday, March 7th @ 3:45 in the Library.

-

Reminders:

- Wear your red shirts - we'll take more group pictures and Noreen is setting up Friday raffles.
- On the third day of fall and spring conferences, there will be a half-session for students and staff.
- What's Happening in Your Classroom...if you have something going on in your class- a special project/activity - that you would like to share out for MTEA Social Media, please email Bethanne, Kerri Kirchner, or to me.

Thank you 😊

Enjoy your evening!

Subject: Re: Referendum Communications | Email Signature

Hello,

Do these directions work using the district Outlook? I don't want to send this out until we try to use it on the district Outlook.

Thanks for your help,
Bethanne

Good morning Bethanne –

I hope you are doing well. We have seen many of the NJEA signs around town. Thank you again for your partnership and support.

Here is the email signature we are going to be posting in our digital correspondence, through March 14. Staff can highlight, copy, and paste it into the email signature editing tool. I attached screenshots in case anyone needs instructions.

Thanks again and have a great day!

Subject: Negotiations Update and MTEA Building Visits

Hello MTEA,

Last evening the MTEA Negotiations Team met with the MTBOE Negotiations Committee for over three hours. We are continuing to negotiate in good faith for a fair and competitive contract. We have scheduled our next meeting for March 23, 2023, to continue the process.

Below and attached please find a schedule of our upcoming MTEA building meetings. We will be discussing negotiations and the referendum at each meeting.

We look forward to seeing you and answering any questions you may have concerning negotiations, the referendum, and any other matter.

MTEA BUILDING MEETINGS 2023		
Building	Date	Time
Applegarth	Tuesday, February 28 th	8:30 AM
Mill Lake	Wednesday, March 1 st	8:30 AM
Middle School	Wednesday, March 1 st	2:45 PM
Applegarth Hustle/Phones	Wednesday, March 1 st	4:00 PM
Woodland	Tuesday, March 7 th	7:40 AM
Barclay Brook	Tuesday, March 7 th	3:45 PM
Brookside	Wednesday, March 8 th	8:35 AM
MTHS	Wednesday, March 8 th	2:15 PM
Oak Tree	Friday, March 10 th	8:20 AM

In Unity,
Bethanne and Your Negotiations Team

Bethanne Augsbach
MTEA President

Good afternoon Bethanne & Traci –

Happy Friday! Thank you for sitting down with us this week to discuss the referendum.

Here are some of the materials you asked for. Attached you will find a variety of logos/artwork we have utilized thus far. You can use it with any logos/artwork you may have. We can assist you with any creative design ideas to make sure your MTEA logo and partnership are integrated in accordance with your preferences.

Please note that our brochure is still in draft form, so please do not distribute it. We'll give you a final version in the coming days.

Thank you again for your partnership – and please pass along our gratitude to your contacts at the NJEA, as well. Have a great weekend and please reach out if you have any other ideas or need any other information.

Have a great weekend!

Respectfully,

Zach Morolda

Attachments: Maintenance Installing New Underground Storm Drain Piping.JPG Exstg. Drain Line to Drywell Excavated... Adjacent Tree.JPG Stone Backfill Atop New Drainage Pipe and DryWell.JPG

Hi Bethanne,

As for the roof leaks, we believe much of the problem is related to ponding water resulting from a failed roof drain. We know the roof is old and out of warranty and hopefully will be addressed with a successful referendum March 14th. However, in the interim we are addressing the immediate problem. We brought a crew in Saturday and after much exploratory work found that the roof drain which feeds to a dry well has been significantly compromised by tree roots. Maintenance staff have I been working on excavating a replacing the drainage system (see photos). We also have temporary pool pumps staged on the roof to address standing water. Dr. Lynch was brought in this afternoon for inspection, testing and to answer staff questions. As always we will share out all of his reports and recommendations. As for attending to water in the room, we likewise brought custodial staff in over the weekend for additional cleaning and monitoring of the situation as well as bringing the head custodian in at 6 am so he too may inspect the rooms and if necessary have time to address any new or ongoing leaks...fortunately none to date. Finally next week the BG&T Committee will review the matter and provide direction for a possible alternate strategy for a quicker replacement of the roof.

Special recognition to Applegarth School Head Custodian Bill Shearn for tirelessly staying on top of this and tending to staff needs.

Please reach-out if any additional questions, and again we'll be sure to share out all of Dr. Lynch's data.

Thanks,

Jerry

Subject: Fw: Applegarth - Water Damage 1/3/2023

Hello Jerry,

I am hoping that you will be able to provide me with an update on what is being done to mitigate the leaks and musty odor in room 11 in Applegarth School. I have attached the most recent pictures from Friday (1/6/23). On Friday when staff arrived at school, there were still water leaks, and the musty smell was very potent. In an attempt to dry out the classroom and remove the smell, all of the windows were open, therefore making it very cold. Because of all of those factors, Dawn assisted the teacher in moving the class/students into the library.

The staff's concern is that the longer that the water sits, the higher the likelihood that mold will form. There is also concern about water leaks in rooms 10 and 12 as well.

Moving forward, what will the next steps be to rectify the situation, so our staff and students have a safe and healthy environment to work in? Any and all insights would be greatly appreciated.

Sincerely,
Bethanne

Hi Bethanne!

I hope you're having a good week. I just wanted to give you an update. When I came into school on Tuesday (1/17), there were fans and an air purifier in my room. I also noticed that my ceiling had been painted as well. As a result, I had to teach my students in the Art room for the day. I have attached the pictures to this email.

Today (1/19) since it was raining, Dawn asked me if I wanted to teach elsewhere in case the roof leaked. My students and I had to move to four different spaces throughout the day. I have attached the pictures of the leaks that showed up in my ceiling from the rain today. Also, my windows were left open in my classroom per the recommendations that were made to me. Because I was not in my classroom, I was unable to close my windows when the rain started coming down heavier and some of my materials were ruined due to rain coming in from the windows.

I look forward to discussing these matters with you tomorrow. I am free to talk from 10:00-10:45, 12:20-1:00, or anytime after 4. My cell phone number is [REDACTED]

Best,
Nicole

Hi Bethanne!

Here are the rest of the pictures. Have a nice night!

Best,
Nicole

Good Morning Bethanne!

I left you a voicemail message yesterday to discuss next steps. If you would like to give me a call today, my availability is 10:00 – 10:45, 12:20 – 1:00, 2:40 – 3:20, or anytime after 4:00. My cell phone number is [REDACTED]

I look forward to hearing from you. Have a nice day!

Best,

Ms. Nicole Sheppard

Hi Bethanne,
Attached please find email with accompanying reports from Dr. Richard Lynch of Environmental Safety Management. We'll continue to work on addressing the roof and follow-up testing with Dr. Lynch as needed. I'll keep you apprised.
Ms. Graziano will share the information with her staff at Applegarth as well.
Please reach-out if you have any further questions.
Thank you,
jerry

Subject: RE: Applegarth - Water Damage 1/3/2023

Hi Bethanne,
As for the roof leaks, we believe much of the problem is related to ponding water resulting from a failed roof drain. We know the roof is old and out of warranty and hopefully will be addressed with a successful referendum March 14th. However, in the interim we are addressing the immediate problem. We brought a crew in Saturday and after much exploratory work found that the roof drain which feeds to a dry well has been significantly compromised by tree roots. Maintenance staff have I been working on excavating a replacing the drainage system (see photos). We also have temporary pool pumps staged on the roof to address standing water. Dr. Lynch was brought in this afternoon for inspection, testing and to answer staff questions. As always we will share out all of his reports and recommendations. As for attending to water in the room, we likewise brought custodial staff in over the weekend for additional cleaning and monitoring of the situation as well as bringing the head custodian in at 6 am so he too may inspect the rooms and if necessary have time to address any new or ongoing leaks...fortunately none to date. Finally next week the BG&T Committee will review the matter and provide direction for a possible alternate strategy for a quicker replacement of the roof.
Special recognition to Applegarth School Head Custodian Bill Shearn for tirelessly staying on top of this and tending to staff needs.
Please reach-out if any additional questions, and again we'll be sure to share out all of Dr. Lynch's data.
Thanks,
Jerry

Hello Jerry,

I am hoping that you will be able to provide me with an update on what is being done to mitigate the leaks and musty odor in room 11 in Applegarth School. I have attached the most recent pictures from Friday (1/6/23). On Friday when staff arrived at school, there were still water leaks, and the musty smell was very potent. In an attempt to dry out the classroom and remove the smell, all of the windows were open, therefore making it very cold. Because of all of those factors, Dawn assisted the teacher in moving the class/students into the library.

The staff's concern is that the longer that the water sits, the higher the likelihood that mold will form. There is also concern about water leaks in rooms 10 and 12 as well.

Moving forward, what will the next steps be to rectify the situation, so our staff and students have a safe and healthy environment to work in? Any and all insights would be greatly appreciated.

Sincerely,
Bethanne

Bethanne Augsbach
MTEA President
