ITEMIZED BID PROPOSAL

PROJECT: Bergen County Zoo Employee Parking Lot

Work required to complete this project.

- Mobilization
- Mill 2"- 3" of existing Hot Mix Asphalt from rear employee parking lot and leave millings in place. Millings will be used for additional base and to be paved over. Approximately 1,590 square yards.
- Grade and relocate Hot Mix Asphalt millings as necessary from roadway or parking areas to create positive slope and drainage of new pavement.
- Proper compaction of Hot Mix Asphalt Millings will be necessary to alleviate and settlement under the new pavement.
- Apply RC-70 or other approved tack coat material.
- Install 2" of Hot Mix Asphalt 9.5M64 Surface Course over entire area of approximately 1,590 square yards. Hot Mix Asphalt will be rolled and compacted to NJDOT compaction standards.
- Install Parking Stalls as per existing or detail as directed the County Inspector.
- All vehicular and pedestrian traffic will be protected in accordance with NJDOT and MUTCD regulations.
- **(ALTERNATE ITEM)** This item will be used if the County requires the contractor to dispose of excess millings off site. It is to include loading, transportation and dumping/disposal fees. Tri-axle dump trucks will be used that are legally capable to carry 22-25 tons. All material must be taken to a licensed recycle center and a receipt for each load provided to the county.
