Re: OPRA Request 09/04/2023

As you know, I am the Business Administrator and Custodian of Records for the Barnegat Township School District (the "Board" or the "District"). I am in receipt of your request for records (the "Request") pursuant to the Open Public Records Act ("OPRA" or the "Act") which I received on September 4, 2023. The Request seeks "final and compiled bid tabulation (Bid Tally) and bid tally sheets,"

A government record defined by OPRA is: "any paper, written or printed book, document, drawing, map, plan, photograph, microfilm, data processed or image processed document, information stored or maintained electronically or by sound-recording or in a similar device, or any copy thereof, that has been made, maintained or kept on file in the course of his or its official business by any officer, commission, agency or authority of the State or of any political subdivision thereof, including subordinate boards thereof, or that has been received in the course of his or its official business by any such officer, commission, agency, or authority of the State or of any political subdivision thereof, including subordinate boards thereof. The terms shall not include inter-agency or intra-agency advisory, consultative, or deliberative material." [N.J.S.A. § 47:1A-1.1].

You will find attached a copy of the Bid Tally Sheets for the contract award of the Barnegat High School Outdoor Pavilions.

If you need any further information, do not hesitate to contact my office.

Sincerely,

Stephen J. Brennan, MBA, CPA
Business Administrator

Our collective mission is to nurture and educate our children in accordance with all curriculum standards to prepare them for responsible citizenship and success in life.
