Standard Terms and Conditions

1. Terms Governing all Contracts

- 1.1 Unless the bidder is specifically instructed otherwise in this bid packet, the following terms and conditions shall apply to all contracts or purchase agreements made with the Township of Dennis. These terms are in addition to the terms and conditions set forth in the contract form and should be read in conjunction with same unless the bid packet specifically indicates otherwise. In the event that the bidder would like to present terms and conditions that are in conflict with these terms and conditions or those set forth in the contract, the bidder must present those conflicts in an attached document clearly marked "Conflicts with Terms and Conditions" for the Township of Dennis to consider. This document must be attached to the bid packet and must be signed and dated by an official of the proposing company. Any conflicting terms and conditions that the Township of Dennis is willing to accept will be reflected in an addendum to the bid packet. The Township's terms and conditions shall prevail over any conflicts set forth in a bidder's proposal that were not submitted through the above process and approved by the Township. Nothing in these terms and conditions shall prohibit the Dennis Township Solicitor from amending a contract when the Solicitor determines it is in the best interests of the Township.
- 1.2 **Exceptions to Specifications** - Exceptions, if any, to the specifications, shall be noted on the Bid Form, and must be detailed in writing at the time of the bid. Exceptions to the specifications must be attached to the bid packet and must be noted "Exceptions to Specifications" and must be signed and dated by an official of the bidding company. Please note that bids received without any exceptions noted shall be assumed to be in complete compliance with the specifications. It should be noted that failure to list "Exceptions to Specifications" shall in no way provide relief to vendors providing services which do not meet the technical specifications. Vendors found to be supplying services which are not identified as "Exceptions to Specifications" shall be subject to legal action.
- 1.3 **Addenda** - Each and every request for interpretation of these specifications shall be made in writing, addressed and forwarded to the Dennis Township Chief Finance Officer, who may send written instructions to the prospective bidders in the form of addenda. If an addendum is issued, prospective bidders shall acknowledge receipt of such on the form provided within this bid document, entitled "Acknowledgment of Receipt of Addenda", and must return this form with their submission. Failure to acknowledge and return with your submission the receipt of any issued addenda for this bid on the "Acknowledgment of Receipt of Addenda" form provided in this bid document shall be cause for your bid to be rejected pursuant to N.J.S.A. 40A:11-23.2.e.
- 1.4 **Oral Instructions** - Neither the Township of Dennis nor its authorized representatives will be responsible in any way for oral answers unconfirmed in writing to any inquiries regarding the intent or meaning of these specifications.

materials offered will be judged. Where a brand name, trade name, or other references using a manufacturer's name or terms appear it is intended to be a guide referring to a specific quality, grade, style, or size. A product of equal quality will be considered, but must be designated in accordance with the conditions specified in the "Exceptions to Specifications" document. For the purpose of evaluation, where an equivalent product is being bid, the bidder must indicate, no matter how slight, any variations from the items specified. If no variations are noted it will be construed that the bid fully conforms to the specifications in every instance. The decision by the Township of Dennis as to whether a bid alternative or substitute is in fact equal, shall be final and without recourse.

- 1.8 **Chemical Abstracts** - The manufacturer or supplier of a substance or a mixture shall supply the Chemical Abstracts Service number of all the components of the mixture or substance and the chemical name to the Township to assure that every container bears a proper label at a Township facility. Should any differences arise between the contracting parties as to the meaning or intent of these Instructions or Specifications, the Dennis Township Chief Finance Officer or his/her designated representative's decision is to be final conclusive.
- 1.12 **Mailed Bids** - Bids may be hand delivered or mailed consistent with the provisions of the legal notice to bidder. In the case of mailed bids, the Township assumes no responsibility for bids received after the designated date and time and will return late bids unopened.
- 1.13 **American Produced Goods** - Only manufactured and farm products of the United States, wherever available, shall be used under this contract pursuant to N.J.S.A. 40A:11-18. However, the decision of the Dennis Township Committee will be paramount where a price discrepancy favors the foreign goods or products and said decision does not conflict with the law.
- 1.14 **Conflicts of Interest** - No bidder shall influence, or attempt to influence or cause to be influenced, any Dennis Township officer or employee to use his/her official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee. No bidder shall cause or influence, or attempt to cause or influence, any Dennis Township officer or employee to use his/her official capacity to secure unwarranted privileges or advantages for the bidder or any other person.
- 1.15 **Trademark** - By submission of the bid, the bidder certifies that the service to be furnished will not infringe upon any valid patent, trademark or copyright and the successful bidder shall, at its expense, defend any and all actions or suits charging such infringement, and will save the Township of Dennis harmless in any case of any such infringement.

Prevailing Wage**Contractor/s and Sub-contractor/s for the Township of Dennis, County of Cape May, State of New Jersey:**

As required by law, you must pay prevailing wages. In addition, any sub-contractor you employ must also pay prevailing wages. It is your responsibility to make sure your sub-contractors are paying prevailing wages. Township of Dennis has a wage and hour compliance office. A representative from that office will periodically interview your employees on this project to confirm that they are, in fact, receiving the New Jersey prevailing wages and benefits.

In addition, immediately upon beginning the project, you must provide a certified copy of your weekly/bi-weekly payroll records and your sub-contractors, also your certified payroll must show hourly benefits and gross benefits that are paid each employee as set forth by New Jersey prevailing rates. Payroll report must include: hourly rate, total hours, hourly benefits, gross benefits and gross pay. The wage-hour compliance documentation must be submitted to the Dennis Township Chief Finance Officer within (10) days of payment of wages.

Effective June 11, 1997, the state of New Jersey will no longer recognize apprentices registered outside of the state. Should any apprentice from another state presently be working in the state of New Jersey, they must now be paid the full journeyman's rate, unless they are a member of a collective bargaining unit whose jurisdiction, according to the agreement, covers territory within New Jersey. Therefore pursuant to title 29 CFR section 29.12 (b)(8), we do not recognize apprentice programs for other states.

Should this be a non-union contractual firm, your employees are to receive the New Jersey prevailing rates plus all benefits in their weekly/Bi-weekly wages. Should contractors or sub-contractors be from another state, the New Jersey prevailing wage determination and benefits must be paid.

Failure to comply and submit certified payroll reports could result in a stop payment order in and monies due. Additionally, any forms to be completed by the primary or sub-contractors must be returned to the Chief Finance Officer prior to the start of any project.
