RE: NOTICE OF CLASSIFICATION

Dear Sir/Madam:

In accordance with Title 27:7-35.1 et. seq., and Regulations of the New Jersey Department of Transportation, you are hereby notified that the following CLASSIFICATION has been assigned to your firm by the Department:

Financial Capability
\$5,000,001 to \$10,000,000

Work Classification(s):

Project Rating

2a-Apply Bituminous Material	\$1,000,001 to \$2,000,000
3a-Grading Bituminous Paving	" " "
8b-Concrete Repairs	" " "
8c-Curbs, Sidewalk & Misc. Concrete Work	" " "
9g-Natural Stone Masonry	" " "
22-Underground Utilities	" " "

This denotes your maximum financial capability and project rating, since you have chosen to submit a CPA review of financial statement.

Your financial capability is based on (net working capital or net worth x 15) + (net book value of construction equipment less the value of any outstanding loans x 15) + (unsecured lines of credit in accordance with the Questionnaire x7) as determined by the Department from the information you submitted for the Close of Business on 12/31/20. See attachment for explanation.

NOTICE OF CLASSIFICATION

Meco, Inc.

Page 2

Please be advised that the supplementary provisions (Project specific Specifications) for all present & future Bridge Painting contracts requires all contractors and sub-contractors to have valid Certificates SSPC-QP1 & SSPC-QP2 issued by The Society for Protective Coatings (<http://www.sspc.org/>) at the time of bid and duration of the contract.

This CLASSIFICATION will be effective 7/13/21 and will expire 6/30/22.

Your financial capability is defined as the dollar threshold on the maximum amount of a project rating, which is assigned by the Department pursuant to N.J.A.C. 16:44-3.6 upon examination of the contractor's Questionnaire and financial statement submitted by the contractor in accordance with this chapter. Project Rating is defined as the maximum dollar amount that a contractor shall be allowed to bid in a particular work type on an individual project.

Bids will only be accepted from a contractor classified with the Department pursuant to N.J.A.C. 16:44-3. Bids will only be accepted from a contractor who has been classified in at least one of the work types required in the project advertisement. Bids will be accepted from a contractor in an amount that does not exceed its project rating. When there is a question as to whether a bid is within the contractor's classification or, where it reasonably appears that a contractor may not have the classification that will allow it to bid on a project for which bids are being sought, the bid will be opened provisionally. If the bid is for a different work type or in a dollar amount greater than the contractor's maximum project rating, the bid will be rejected.

In order to be continuously eligible to bid on projects to be undertaken by this Department, your next Contractor's Financial and Equipment Statement should be submitted one month before the expiration date, but must be received at least 15 days prior to the date set for receipt of bids for which the classification will be used.

Requirements of New Jersey Administrative Code 16:44-12.1 and 12.2 must be complied with by all corporations classified with the New Jersey Department of Transportation.

Sincerely,

Keith A. Daniels

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law (Public Law 2001, c.134) requires all contractors and subcontractors with State agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609) 292-1730.

I wish you continued success in your business endeavors.

Sincerely,

John E. Tully, CPA
