Dear Sir/Madam,

In accordance with Title 27:7-35 et seq., and Regulation of the New Jersey Department of Transportation, you are hereby notified that your firm has been CLASSIFIED by the New Jersey Department of Transportation. Please see ATTACHMENT A for your firm's assigned financial capability, work classification(s), and project rating(s).

Your firm's financial capability is based on (net working capital or (Net Worth x 15) + (net book value of construction equipment, less the value of any outstanding loans x 15) + (unsecured lines of credit in accordance with the Questionnaire x 7) as determined by the Department from the information your firm submitted for the Close of Business on 12/31/2023. Please see ATTACHMENT B for explanation.

Your firm's financial capability is defined as the dollar threshold on the maximum of a project rating, which is assigned by the Department pursuant to N.J.A.C. 16:44-3.6 upon examination of the contractor's Questionnaire and financial statement submitted in accordance with this chapter. Project Rating is defined as the maximum dollar amount that a Contractor shall be allowed to bid in a particular work type on and individual project.

This CLASSIFICATION will be effective on 5/29/2024 and will expire on 6/30/2025

Bid will only be accepted from a contractor classified with the Department pursuant to N.J.A.C. 16:44-3. Bids will only be accepted from a contractor who has been classified in at least one of the work classifications required in the project advertisement. Bids will be accepted from a contractor in an amount that does not exceed its project rating. When there is a question as to whether a bid is within the contractor's classification or, where it reasonably appears that a contractor may not have the classification that will allow it to bid on a project for which bids are being sought, the bid will be opened provisionally. If the bid is for a different work classification or in a dollar amount greater than the contractor's maximum project rating, the bid will be rejected.
