BID BOND

KNOWN ALL BY THESE PRESENTS, that we the undersigned

(Name of Bidder)

as Principal (the "Principal") and

(Name of Surety)

of the City of _____, State of _____, a corporation

existing under the laws of the State of _____, and authorized to transact business

in the State of New Jersey, as Surety (the "Surety"), are hereby held and firmly bound unto the

Borough of Old Tappan (Owner), hereinafter called the OBLIGEE, in the sum of

_____ Dollars (\$ _____) lawful money of the

United States of America, for the payment of which sum well and truly to be made, we hereby bind ourselves, our heirs, executors, administrators, assigns and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH, that whereas the Principal has submitted to the Borough of Old Tappan (Owner) a certain Bid, attached hereto and hereby made a part hereof, to enter into a contract in writing for **Perry Street Drainage Improvements**, Borough of Old Tappan, Bergen County, New Jersey.

NOW THEREFORE, the condition of this Bond shall be such that if said Bid shall be accepted, the Principal shall execute and deliver the Contract, shall furnish a Performance Bond and a Material and Labor Bond, with good and sufficient surety, and shall furnish insurance certificates, all as required by the Contract Documents and in the forms and in the amounts required by the Contract Documents, then this Bond shall be void; otherwise, this bond shall be and shall remain in full force and effect.

The Principal and the Surety agree to pay to the OBLIGEE the difference between the amount of said Bid as accepted by the OBLIGEE, and any higher amount for which the required Work shall be contracted for by the OBLIGEE, together with any additional advertising costs, Engineer's fees, legal fees and any and all other fees and expenses incurred by the OBLIGEE by reason of the failure of the Principal to enter into such Contract with the OBLIGEE, or to furnish such Bonds, or to furnish such insurance certificates; provided, however, that: (1) the obligation of the surety shall not exceed the stated principal amount of this Bond; and (2) if the OBLIGEE should not procure an executed contract with any other person for the performance of the Work contemplated in said Bid, as

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its Bond shall be in no way impaired or affected by an extension of time within which the OBLIGEE may accept such Bid; and said Surety does hereby waive notice of any such extension.
