

BID PROPOSAL

**SIMPLEX AVENUE AND HAY STREET WATER MAIN / SERVICE PROJECT
CITY OF NEW BRUNSWICK, COUNTY OF MIDDLESEX, STATE OF NEW JERSEY
FILE No.: SCE-R12491.011**

This Proposal is Submitted To:

City of New Brunswick
78 Bayard Street
New Brunswick, New Jersey 08901

By: Underground Utilities Corp.
(Name of Bidder)

The undersigned Bidder proposes and agrees, if this proposal is accepted, to enter into an Agreement with Owner in the form included in the Contract Documents to complete all Work as specified or indicated in the Contract Documents for the Contract Price and within the Contract Time indicated and in accordance with the Contract Documents.

Bidder accepts all of the terms and conditions of the Contract Documents & Specifications. This proposal will remain open for sixty (60) days after the day of bid opening. Bidder will sign the agreement and submit the Performance Bond and other documents required by the Contract Documents within ten business days after the date of award.

In submitting this proposal, Bidder represents, as more fully set forth in the Agreement, that the Bidder has examined copies of all the Contract Documents and any issued Addenda. Receipt of all addenda must be acknowledged on the Acknowledgement of Addendum Form.

The approximate quantities of work to be performed under the proposed contract are set forth in the Proposal. These quantities are to be considered as approximate only and are given solely for the comparison of proposals. The Owner does not expressly or by implication agree that the actual amount will correspond therewith but reserves the right to increase or decrease the amount of any item or portion of the work as may be deemed necessary by the Engineer. The Contractor shall at no time make claim for anticipated profit or loss of profits because of any difference between the quantities of work actually done, or of material actually furnished, and the estimated quantities. The Contractor will be paid only for the actual quantities of work performed at the contract unit price bid.

Bidder agrees that the work will be completed within the time indicated in the Specifications and accepts the provisions of Sections 103.11 and 108.20 of the specifications as to liquidated damages in the event of failure to complete the work on time as specified for the contract period and individual phases.

Bidder further agrees as follows: (1) that this Bid will remain open and may not be withdrawn for the time period set forth in the Instructions to Bidders; (2) that They accept all the terms and conditions of the Instructions to Bidders, including, without limitation, those dealing with the disposition of Their bid security; (3) that, upon acceptance of this Proposal, They will execute the Agreement and will furnish the required insurance certificates within the time period(s) set forth in the Instructions to Bidders; and (4) that upon receipt of a Notice of Intent to Award, They will furnish Performance and Payment Bonds within the time limit following the effective date of the Notice of Intent to Award as set forth in the Instructions to Bidders.

BID PROPOSAL

**SIMPLEX AVENUE AND HAY STREET WATER MAIN / SERVICE PROJECT
CITY OF NEW BRUNSWICK, COUNTY OF MIDDLESEX, STATE OF NEW JERSEY
FILE No.: SCE-R12491.011**

This Proposal is Submitted To:

City of New Brunswick
78 Bayard Street
New Brunswick, New Jersey 08901

By: Shauger Property Services, Inc.

(Name of Bidder)

The undersigned Bidder proposes and agrees, if this proposal is accepted, to enter into an Agreement with Owner in the form included in the Contract Documents to complete all Work as specified or indicated in the Contract Documents for the Contract Price and within the Contract Time indicated and in accordance with the Contract Documents.

Bidder accepts all of the terms and conditions of the Contract Documents & Specifications. This proposal will remain open for sixty (60) days after the day of bid opening. Bidder will sign the agreement and submit the Performance Bond and other documents required by the Contract Documents within ten business days after the date of award.

In submitting this proposal, Bidder represents, as more fully set forth in the Agreement, that the Bidder has examined copies of all the Contract Documents and any issued Addenda. Receipt of all addenda must be acknowledged on the Acknowledgement of Addendum Form.

The approximate quantities of work to be performed under the proposed contract are set forth in the Proposal. These quantities are to be considered as approximate only and are given solely for the comparison of proposals. The Owner does not expressly or by implication agree that the actual amount will correspond therewith but reserves the right to increase or decrease the amount of any item or portion of the work as may be deemed necessary by the Engineer. The Contractor shall at no time make claim for anticipated profit or loss of profits because of any difference between the quantities of work actually done, or of material actually furnished, and the estimated quantities. The Contractor will be paid only for the actual quantities of work performed at the contract unit price bid.

Bidder agrees that the work will be completed within the time indicated in the Specifications and accepts the provisions of Sections 103.11 and 108.20 of the specifications as to liquidated damages in the event of failure to complete the work on time as specified for the contract period and individual phases.

Bidder further agrees as follows: (1) that this Bid will remain open and may not be withdrawn for the time period set forth in the Instructions to Bidders; (2) that They accept all the terms and conditions of the Instructions to Bidders, including, without limitation, those dealing with the disposition of Their bid security; (3) that, upon acceptance of this Proposal, They will execute the Agreement and will furnish the required insurance certificates within the time period(s) set forth in the Instructions to Bidders; and (4) that upon receipt of a Notice of Intent to Award, They will furnish Performance and Payment Bonds within the time limit following the effective date of the Notice of Intent to Award as set forth in the Instructions to Bidders.
