**Re: Bid Recommendation
Morris Ave Water Main Improvements
Borough of Spring Lake
Our File: SL 21-13**

Dear Mr. Dempsey:

Bids for the above referenced project were received on January 27, 2022. Eleven (11) contractors picked up bid documents and eight (8) bid proposals were received with a low bid of \$255,029.00 and a high bid of \$536,575.00 as shown on the attached tabulation of bids.

The references for the low bidder, MSP Construction Corp., Branchburg, NJ, have been checked by this office and found to be satisfactory. Our office has also administered several projects with this contractor.

The low bid is within the engineer's cost estimate. We, therefore, recommend a contract is awarded to MSP Construction Corp., Branchburg, NJ, in the amount of \$255,029.00 subject to attorney review and available funding.

Should you have any questions regarding this matter, please do not hesitate to call our office.

Very truly yours,

LEON S. AVAKIAN, INC.

AUTOMATIC ADDITIONAL INSURED -- OWNERS, CONTRACTORS AND SUBCONTRACTORS (ONGOING OPERATIONS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. The following provision is added to SECTION II - WHO IS AN INSURED

1. Any person(s) or organization(s) (referred to below as additional insured) with whom you are required in a written contract or agreement to name as an additional insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- (1) Your acts or omissions; or
- (2) The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location or project described in the contract or agreement.

However,

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

B. With respect to insurance afforded to these additional insureds, the following additional exclusions apply:

1. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings, designs and specifications; and
 - b. Supervisory, inspection, architectural or engineering activities.
2. This insurance does not apply to "bodily injury" or "property damage" occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as part of the same project.
- C. The limits of insurance applicable to the additional insured are those specified in the written contract or agreement or in the Declarations for this policy, whichever are less. These limits of insurance are inclusive of and not in addition to the limits of insurance shown in the Declarations.
- D. With respect to the coverage provided by this endorsement, **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, Paragraph 4. Other Insurance, Subparagraph a. Primary Insurance, is replaced by the following:

a. **Primary Insurance**

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below, except;

- (1) If a written contract or agreement that requires any person(s) or organization(s) to be an additional insured also requires this insurance to be primary and noncontributory, then this insurance is primary over any other insurance in which the additional insured is a Named Insured. We will not seek contribution from any other liability policy in which the additional insured is a Named Insured.
