Authority, the Financing Authority or State, by or on behalf of any seller, supplier or provider of services, who has made, negotiated, solicited or offered to make any contract to sell or furnish real or personal property or services to the District, the Development Authority, the Financing Authority or the State. I further understand that it is a violation of law to offer, pay, or give to any employee of the District, the Development Authority, the Financing Authority or the State any fees, commission, compensation, gift or gratuity for or because of any official act or a violation of any official duty. Any person who does so may be subject to punishment.

B. No Collusion

The Contractor has not directly or indirectly entered into any agreement, participated in any collusion, bid rigging or otherwise taken any action in restraint of free, competitive bidding in connection with the School Facilities Project; the prices in the bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition; the prices have not been knowingly disclosed directly or indirectly by the Contractor to any other bidder, unless otherwise required by law; and no attempt has been made by the Contractor to induce any other person or business entity to submit or not submit a bid for the purpose of restricting competition.

C. No Discrimination

D. Prevailing Wage, Contractor and Business Registration If applicable, the Contractor has complied and will continue to comply with the New Jersey Contractor Registration Act, P.L. 1999, c. 238, the business registration and use tax requirements of N.J.S.A. 52:32-44 as amended by P.L. 2004, c. 57, and the New Jersey Prevailing Wage Act, P.L. 1963, c. 150, and all amendments thereto, with respect to the School Facilities Project, the District, the Development Authority, the Financing Authority or the State, except those contracts not within the contemplation of these Acts. The Consultant shall not hire any Subconsultant to perform any work on the School Facilities Project who is listed or is on record in the Office of the Commissioner, Department of Labor, as having failed to pay prevailing wages in accordance with the provisions of the New Jersey Prevailing Wage Act.

E. Prequalification

The Contractor certifies that it will immediately report to the Development Authority any change in the information provided by the Contractor in its prequalification application currently on file with the Development Authority.

The Contractor certifies that it will immediately notify the Development Authority and the Bureau of Fiscal Oversight (PO Box 063, Trenton, NJ 08625) of any director, partner, officer, or employee of the Contractor, or of any shareholder owning 5% or more of the Contractor's stock, who:

1. Is the subject of investigation involving any violation of criminal law or other federal, state, or local law or regulation by any governmental agency; or
2. Is arrested, indicted or named as an unindicted co-conspirator in any indictment or other accusatory instrument; or
3. Is convicted of any crime under state or federal law, or of any disorderly persons offense or misdemeanor involving a business related offense.

THIS LAW PROVIDES THAT 10 DAYS PRIOR TO THE AWARD OF SUCH A CONTRACT, THE CONTRACTOR SHALL DISCLOSE CONTRIBUTIONS TO:

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

Dear Business Representative:

Recently enacted State law (Public Law 2001, c.134) requires all contractors and subcontractors with State, county and municipal agencies to provide proof of their registration with the Department of the Treasury, Division of Revenue. The law became effective September 1, 2001.

Our records indicate that you are currently registered with the Division of Revenue, and accordingly, we have attached a Proof of Registration Certificate for your use. If you are currently under contract or entering into a contract with a State, county or local agency, you must provide a copy of the certificate to the contracting agency.

Please note that the law sets forth penalties for non-compliance with the provisions above. See N.J.S.A. 54:52-20.

Finally, please note that the new law amended Section 92 of the Casino Control Act, which deals with the casino service industry.

Should you have any questions or require more information about the attached certificate, or are involved with the casino service industry, call (609) 292-1730.

Dear Business Representative

Recently enacted State law (Public Law 2001 c.134) requires all contractors and subcontractors with State, county and municipal agencies to provide proof of their registration with the Department of the Treasury, Division of Revenue. The law became effective September 1, 2001

Our records indicate that you are currently registered with the Division of Revenue, and accordingly, we have attached a Proof of Registration Certificate for your use. If you are currently under contract or entering into a contract with a State, county or local agency, you must provide a copy of the certificate to the contracting agency.

Please note that the law sets forth penalties for non-compliance with the provisions above. See N.J.S.A. 54:52-20.

Finally, please note that the new law amended Section 92 of the Casino Control Act, which deals with the casino service industry.

Should you have any questions or require more information about the attached certificate, or are involved with the casino service industry, call (609) 292-1730.

Thank you in advance for your consideration and cooperation.

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Division of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 12 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (800)292-1730.

I wish you continued success in your business endeavors.

Sincerely,

Dear Mr. Gobo:

The New Jersey Schools Development Authority (NJSDA) has completed its review of your firm's Application for Prequalification including the required DPMC classification.

We are pleased to inform you that **Automated Logic BTG, Inc.** has been approved with NJSDA Prequalification status in the trade(s) and corresponding aggregate limit(s) as listed below:

<i>Trade(s)</i>	<i>Aggregate Rating</i>
CONTROL SYSTEMS	UNLIMITED
ENERGY MANAGEMENT SYSTEMS	

Your firm is prequalified by the NJSDA until **June 21, 2017**. Please keep in mind that during this period, the NJSDA must be notified in writing within ten days of any substantial changes that occur within your organization. This would include any changes your firm makes with DPMC as well as changes in ownership, financial condition, key people, safety records, disciplines, etc. Also note that your firm's status as a "prequalified firm" is always subject to review, and we reserve the right to change or revoke this prequalification status for cause at any time.

Firms like yours are critical to our success. Exciting opportunities are available for Small Business Enterprises (SBEs) in the Schools Construction Program. In order to enhance your participation in the program as an SBE-designated firm, the NJSDA is offering assistance in becoming registered as an SBE with the NJ Department of Treasury, Division of Revenue and Enterprise Services.
