Dear Nill, Jessica,

Other requests have been honored. Maybe I am wording my request incorrectly?

Here are other identical requests that have been honored recently. So I'll word it exactly as the other requests are worded:

Requesting All open and closed construction permits and surveys done for 96 Heather Ct #96, Edison since it was built in 1984. 01/29/2024 successful

open/closed permit and building construction plan/blueprint for 21 Hillsdale Edsion 08820 01/21/2023 successful

Requesting All open and closed permits and surveys done for 68 Roosevelt Blvd, Edison since it was built in 1942. 01/26/2023 successful

[ So I am requesting all open and closed permits and surveys done for 485 US Highway 1, 2nd floor (or entire building), Edison NJ since it was built. ]

Thank you,

Yours sincerely,
