AUDIENCE

A gentleman from the audience asked questions regarding his previous attempts to have students made aware of their rights concerning religion in schools. Dr. Aragona and Mr. Roblenski both addressed his questions and stated their feeling that the purpose of the Board is to improve student achievement and not take on battles of policy making. Several other questions were raised by the audience and answered by Dr. Aragona regarding the possibility of changing the sending lines for the two high schools; the possibility of split sessions; guidelines for PTA Fund Raisers; and the number of 6th grades to be attending the middle schools for next year.

ADJOURN

At 8:05 p.m. motion was made by Mrs. DeConde, seconded by Mr. Williamson, with all in favor to adjourn this meeting.

Respectfully submitted,
