A parent from the audience asked a question regarding the intercom
 system which had been mentioned under Finance & Business. She AUDIENCE
 wanted to know why Osbornville School could not get an intercom
 system installed since other schools were getting their systems
 repaired and Osbornville has never had one. Mr. Stutts said he
 would check into the cost of installing a new system at Osborn-
 ville, but stressed that the award had been given just for repair
 of an existing system at Midstreams School.

The same parent voiced her concerns regarding the removal of a
 music teacher from Osbornville School. She presented a petition
 supporting the teacher who had been removed. She mentioned that
 children, parents and other teachers all liked the teacher. The
 feeling of people connected to Osbornville School was that she
 was a very good teacher and they would like to have kept her.
 Mr. Roblenski said he could not comment on the matter because it
 is presently in litigation, but he thanked the parent for her
 comments and he appreciated her support of the teacher.
