RECOMMEND
POINTMENT

Under Personnel Teaching, Dr. Normandia's recommendation of two appointments for the 1994-95 school year were present this evening. Dr. Normandia presented Mrs. Margaret Jaeger being recommended as Supervisor of Curriculum and Instruction and Mrs. Nancy Whelan being recommended as Vice Principal at Drum Point School, listing each of their credentials. Mrs. Jaeger and Mrs. Whelan both spoke.

DISTING
TUDENT
TEACHERS

Mrs. Ceres wanted to share with the Board and the public that in previous years Brick has hosted student teachers from nearby institutions; however, for this past year many other State Colleges and Universities have contacted Brick to place their student teachers. Brick has hosted these student teachers with some of them presently becoming candidates for permanent teaching positions. Brick's reputation in technology is a primary reason for distant areas becoming interested in Brick. This adds a broader dimension to our district and teaching staff and provides broader horizons for students.

Motion was made by Mr. Paredes, seconded by Mr. Stephens, with the following roll call vote to approve Items a through x under Personnel Teaching: Mr. Huber, yes; Mr. Mercer, yes; Mr. Mueller, under Item b yes to Ms. Petoia and no to the balance; Mr. Pannucci, yes; Mr. Stephens, yes; Mr. Paredes, yes; and Mr. Cline, yes.

PERSONNEL: (Teaching) - OLD BUSINESS

Mr. Pannucci, Chairperson of the Personnel Committee, passed out to the Board Members a suggested plan on the Superintendent's Search. July 1, 1994 will be the deadline for accepting applications. After July 1, the Personnel Committee will review all applications and select approximately twelve applicants of interest. Around July 7 those selected applications will be reviewed by all Board Members and a representative from the community cross section for an interview process. After July 14, the final two or three applicants will be selected by the Board to be interviewed in closed session.

**DISCUSS
PLAN FOR
SUPER-
INTENDENT
SEARCH**

Mr. Cline wanted to note that persons from outside the district would be applying for this position and the importance of confidentiality for those persons to protect their current positions. The Board feels there is a need to involve the community more directly in the process of the selection, however, the final decision will be made by the Board. The community can come to the next Board Meeting to discuss whatever shortcomings, faults or criticisms they may have regarding existing contracts for superintendents in this district. Mr. Cline thanked the Personnel Committee for adopting this new approach for the selection of a superintendent.
