At 8:17 p.m. Mr. Williams opened this meeting for public discussion.

Public
Discussion

Many members of the audience expressed their concerns on various items and board members replied to same.

After a member of the audience questioned the function of the proposed Servicemaster service, Mr. Tremper requested that the scheduled meeting on September 9th of the Buildings and Grounds Committee be cancelled until board members have an opportunity to meet with our people. At this time, Mr. Donofrio, a member of the Building and Grounds Committee notified Mr. Williams that he would be unable to attend this meeting on September 9th.

Policy
Waived

A question was raised on procedure and a request was made to first make a motion to waive its policy for the purpose of this discussion, being it was not, by item, listed on the agenda for discussion. The motion made by Mr. Donofrio, seconded by Mrs. Benton was that the Board of Education approve that policy be waived to permit discussion and action on the procedure concerning future development of the Servicemaster program. A roll call vote was taken with unanimous agreement.

A roll call vote was then taken on the previous motion and that too was carried unanimously.

The Brick Township Board of Education held a meeting on Tuesday, September 21, 1982 at 7:30 p.m. in the Administration Building, 101 Hendrickson Avenue for the purpose of discussing items under Personnel and reviewing Policy.

Present were: Mr. Williams, Mrs. Benton, Mr. Roblenski, Mr. Tremper, and Mr. Donofrio (7:35 p.m.)

Also present: Dr. Aragona, Mr. Wolf, Mr. Stutts and Mr. Sendzik.

Mr. Stutts announced that the Open Public Meetings Law was enacted to insure the right of the public to have advance notice of and to attend the meetings of public bodies at which any business affecting their interests is discussed or acted upon.

Sunshine
Law

In accordance with the provisions of this Act, the Brick Township Board of Education has caused notice of this meeting to be published by having the date, time, and place thereof posted as follows on September 16, 1982: Board Office Bulletin Board, Asbury Park Press, Ocean County Times-Observer, Municipal Clerk, and Brick Town News.

Following that announcement, Mr. Stutts further noted that the board had to go into closed session by reading the following resolution:

Closed
Session

WHEREAS, C. 231, P.L. 1975, also known as the Sunshine Law, authorizes a public body to meet in executive or private session under certain limited circumstances; and

WHEREAS, said law requires the Board to adopt a resolution at a public meeting before it can meet in such an executive or private session;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE BRICK TOWNSHIP SCHOOL DISTRICT: 1. That it does hereby determine that it is necessary to meet in executive session on this date to discuss matters involving Personnel, and 2. that the matter discussed will be made public if and when confidentiality is no longer required and action pursuant to said discussion shall take place only at a public meeting.

Dr. Aragona noted to the board members that Mr. Sendzik would present an up-date on three personnel matters. As each matter was individually discussed, Board Members and Administration asked questions of the Attorney. The many avenues that could be followed to attempt to conclude this matters were discussed at length and direction given Mr. Sendzik in each matter.

Personnel
Matters

At 8:35 p. m. Mr. Williams reopened this meeting for public participation at which time Mr. Stutts announced that when confidentiality is no longer required that the discussions held during the closed portion would be made public.

At this time review of the Policy Book was begun. It was agreed

Policy

Policy

to take the policy book page by page, and where board members had any ideas as to possible necessary changes, that particular one would be discussed at length.

As the Attorney had already left this meeting, it was agreed to earmark pages which may need legal aspects cleared up. In most instances, Dr. Aragona was able to give the board members adequate explanations of the intent and the need for particular policy items. In a consensus vote taken on the particular wording of a policy concerning school facilities and their uses, and whether requests for use of building had to go to board level or could be handled through Administrative channels, the vote was 3-2 to leave the policy as is. It was also agreed that this item would be discussed once again when the entire board was present.

In a discussion of an area referring to gifts and grants, it was agreed that gifts from the Booster Clubs of such items as score boards and flagpoles would need a formal board acceptance due to the fact that once they are installed on board property they become the liability of the Board of Education in case something happens.

The discussion continued to Section 4000, Personnel at which time board members requested that this discussion be continued at another meeting. It was agreed to set a Policy Meeting for Thursday, September 30th. Dr. Aragona asked if he could invite Mr. Brooks to come at 7:00 p.m. to discuss the forthcoming Middle States Evaluation of Brick Township High School.

It was agreed to schedule Mr. Brooks' presentation for 7:00 p.m. on Thursday, September 30, 1982 to be followed by a continuation of the Policy Book.

At 10:15 p.m. motion was made by Mrs. Benton, seconded by Mr. Donofrio and carried unanimously that this meeting be adjourned.

The Brick Township Board of Education held a Work Session Meeting on Thursday, September 23, 1982 at 7:30 p.m. in the Administration Building, 101 Hendrickson Avenue for the purpose of discussing the proposed Servicemaster contract with Administration and Supervisory personnel.

Present were: Mr. Bell, Mr. Williams, Mr. Bittmann, Mrs. Benton, and Mr. Roblenski. (Mr. Williams Chaired meeting.)

Also present: Dr. Aragona, Mr. Stutts, and Mr. Sendzik.

The New Jersey Open Public Meetings Law was enacted to insure the right of the public to have advance notice of and to attend the meetings of public bodies at which any business affecting their interests is discussed or acted upon.

In accordance with the provisions of this Act, the Brick Township Board of Education has caused notice of this meeting to be published by having the date, time, and place thereof posted as follows on September 17, 1982: Board Office Bulletin Board, Asbury Park Press, Ocean County Times-Observer, Municipal Clerk and Brick Town News.

(There had been a five minute recess awaiting the arrival of two board members to make up the necessary quorum.)

Mr. Williams announced that this meeting had been called to discuss the significance of the Servicemaster proposal, which is an issue that affects the people who work in the district. Service-
Master

Mr. Stutts presented many areas that he had concerns about, including possible conflict with the existing T.W.U. contract, and the fact that by June 30, 1983 we would have to reduce the custodial force by twelve in order to fulfill Servicemaster's contract.

In reply to a question from the audience as to whether employees would be permitted to ask questions as items were presented, or at the end of the presentations, a consensus vote was taken with 4-1 result that audience participation should be withheld until all general discussions were completed.

Mr. Stutts continued his presentation of his concerns, including board control of personnel, curtailment of evening functions by service groups, approval of this type of service without going through the bidding procedure, use of our office space and utilities by said proposed service, length of contract which would have to be agreed to, and actual cost to the board against actual board savings.

Mr. Williams responded to these items with his understanding of the proposed phases of the contract presented by Mr. Stutts.

Mr. Bittmann questioned the savings in energy costs by lowering the thermostats, and the effect of cold classrooms on our children and teachers. Mr. Roblenski asked that it be ascertained from Servicemaster just what their recommended temperature settings in classrooms would be in order to effect said money savings.

Mr. Stutts showed on the blackboard his figuring as to anticipated savings over a three year period along with his calculations as to how much Servicemaster's fees would actually come to.

It was asked if there is this much money to be saved, why can't we do it ourselves and reap the savings of approximately three-quarters of a million dollars or more.

Many other areas of concerns were expressed by Mr. Stutts and Mr. Williams including replacement of burners at named schools, and items referred to in the Servicemaster presentation which they felt needed additional attention in the Custodial area.

At this time it was agreed that audience participation would be permitted and many of the district's employees voiced their concerns over their understanding that many employees would be dismissed if this contract were to be approved.

Many, many employees were heard and board members expressed their appreciation for so many expressing their feelings as well as their dedication to the district.

It was agreed by board members that our Attorney should go through the contract and check out the many areas of concern discussed this evening, and to check out the references given us by Servicemaster.

Mr. Williams commended the group present on their attendance and stated that no meeting would be held with Servicemaster unless the staff was also present.

At 9:57 p.m. motion was made by Mr. Bittmann, seconded by Mrs. Benton and carried unanimously to adjourn this meeting.

Brick, New Jersey

The Brick Township Board of Education held their Pre-Agenda Meeting on Tuesday, October 5, 1982 at 7:30 p.m. in the Administration Building, 101 Hendrickson Avenue for the purpose of reviewing items presented to them for discussion and review for the Action Agenda on October 13, 1982.

Present were: Mr. Bell, Mr. Williams, Mrs. Benton, Mr. Roblenski, Mr. Donofrio, and Mr. Tremper.

Also present: Dr. Aragona, Mr. Wolf, Mr. Stutts and Mr. Sendzik.

Mr. Bell announced that the New Jersey Open Public Meetings Law was enacted to insure the right of the public to have advance notice of and to attend the meetings of public bodies at which any business affecting their interests is discussed or acted upon.

In accordance with the provisions of this act, the Brick Township Board of Education has caused notice of this meeting to be published by having the date, time, and place thereof posted as follows on September 30, 1982: Board Office Bulletin Board, Asbury Park Press, Ocean County Times-Observer, Municipal Clerk and Brick Town News.

The first item to be discussed was one which asked for a board decision concerning the Servicemaster proposal. Mr. Williams told the representatives of Servicemaster present at this meeting that we had gotten a positive benefit from their proposal in the way that we are making improvements in the district from many of their recommendations. He thanked them from himself for the many hours they expended on our behalf.

Mr. Bell stated that he felt the issue was dead at this time. It was directed that an item be placed on the Action Agenda in order that the Board could take action on this item.

Items under Curriculum and Instructions were reviewed and convention requests denied. The matter referring to P.O.P.E. was reviewed and Mr. Wolf was given direction.

Items under Finance and Business, including vouchers and bids were discussed and approved for the Action agenda. The item referring to photography was discussed and agreement was that it would stay as is for this year, and that a named committee should review costs for next year; that bidding these items does not seem the answer for this type of service.

Items listed under Auxiliary were next discussed and Mr. Stutts was given permission to limit companies selling Tax Sheltered Annuities in the district, and to switch from the present depository.

An evacuation plan submitted by the County Superintendent for emergency reasons was discussed and agreed to.

Out of district placement of students and transportation agreements were also reviewed. It was agreed that the contract with Ice Palace could be added to the Action Agenda for approval October 13th.

The possible need for a part-time public relations person was discussed. A consensus vote resulted in a 5-1 No vote as to a present need. Mr. Williams asked that we review the need for a Grantsman at a future meeting.

The donation of a garbage truck to us by the Township was discussed and direction given that a Soundmaster be installed on its rear.

The proposed Middle States cocktail party was approved by a 4-2 vote.

At 9:00 p.m. Mr. Stutts read a resolution to go into closed session for the purpose of reviewing items under Personnel. Mr. Donofrio made a motion to approve this, Mrs. Benton seconded it and it carried.

The first two items discussed dealt with two employees and leaves of absences. Mr. Sendzik presented his legal thoughts on these matters and board members gave him directions to follow.

Other items under Profession Personnel were reviewed and direction given as to which should be included on the Action Agenda for October 13th. Increments due a particular group of employees were directed to be paid now, without waiting for completion of negotiations.

Items under Non-Teaching Personnel were presented and discussed by Mr. Stutts where necessary. One item from a retired employee for vacation pay was discussed by board members and denied.

This closed session was ended at 10:25 p.m., the regular meeting resumed with a statement that the items discussed would be made public, where possible, on the October 13th agenda.

At 10:30 p.m. motion was made by Mrs. Benton, seconded by Mr. Donofrio and carried to adjourn this meeting.

Brick, New Jersey

The Brick Township Board of Education held a meeting on Tuesday, October 12, 1982 at 7:00 p.m. in the Administration Building for the purpose of discussing the following: Major problems-priorities and timelines; negotiations; budget; and policy review.

Present were: Mr. Bell, Mr. Williams, Mr. Bittmann (7:55 p.m.)
Mr. Roblenski, and Mrs. Benton.

Also present: Dr. Aragona, Mr. Wolf and Mr. Pagano.

Mrs. Damadio announced that the New Jersey Open Public Meetings Law was enacted to insure the right of the public to have advance notice of and to attend the meetings of public bodies at which any business affecting their interests is discussed or acted upon.

In accordance with the provisions of this act, the Brick Township Board of Education has caused notice of this meeting to be published by having the date, time, and place thereof posted as follows on October 7, 1982: Board Office Bulletin Board, Asbury Park Press, Ocean County Times-Observer, Municipal Clerk and Brick Town News.

Sunshine
Law

One of the first items discussed was the recent vandalism at Memorial High School over this past weekend. Many avenues of a possible solution were explored, including rotating custodial shifts to include weekend coverage of buildings, putting security guards back at the high schools, and installation of an alarm system.

Security
Schools

Mr. Bell asked that information should be gathered with regard to amount we are insured for, cost of alarm systems, cost of security guards, and staggered schedule for Custodians.

Mr. Roblenski questioned why the Brick Township Police Department patrol had not noticed the many broken windows at Memorial. Mr. Bell directed that a letter be written to the Township Council asking for another meeting, as soon as possible, to discuss the acts of vandalism in the school district. Said meeting is to be set up with committee representatives of both bodies, and Mr. Bell also directed that a request be made that someone from our Police Department be present.

One board member noted milk delivery at Veterans Elementary School at 10:30 or 11:00 p.m. recently, said delivery being left outside the building. Direction was given that this matter be checked out.

Milk
Delivery

In the discussion of timelines, approximate beginning dates for negotiations with B.T.E.A. and T.W.U. were discussed. At this time Mr. Bell requested that date be set immediately to sit with Central Administration representation to discuss their negotiations. One suggestion that percentages be given members of Central Administration on a one on one basis was not agreed to. Mr. Bell will be sitting with the negotiating team for the Board and Mr. Wolf will be the representative for Central Administration. Mr. Roblenski felt that another board member should be assigned to this committee allowing other members to share in the experience of negotiation. Mr. Bell will set a meeting during the workday with Mr. Wolf next week.

Future
Negotiation

It was agreed that a third board member will be requested to be an observer at negotiating sessions. B.T.E.A. negotiations will probably start in November, and it is possible T.W.U. may have its beginning about the same time.

Timelines

In a continuation of their discussions on timelines, the employment of an insurance agent and designation of a bank were discussed as to when these items should be presented for discussion for the 1983-84 school year. The fact that generally designation of banks, for instance, is made at our Organization Meeting to be voted upon by possibly new board members was reviewed, and it was agreed that some type of orientation procedures be prepared for possible new board members to assist in their decision making in such a short period of time after taking office.

Memos

Writing of memos by board members with copies to other members and Administration was discussed and it was agreed that any memo dictated by one board member should be duplicated for the other members in order that they do not duplicate request for the same information.

Laurelton School

Laurelton School's potential use was discussed and agreement was that this school be held for another period of time before advertising same for school in order that a better idea may be had as to future enrollments.

The dates of October 19, and October 21 were set to discuss Policy and Budget.

Dedication Meeting Rm.

At this time Mr. Bell proposed dedicating, by resolution, the meeting room in the Administration Building. All attending board members were in agreement with this recommendation, and Mr. Bell hoped that this resolution could be adopted at our November meeting.

Negotiations

At 8:25 p.m. this subject matter was closed and it was directed that Mr. Pagano make his presentation on negotiations with B.T.A.S.A.

Mr. Pagano distributed informational material for the board's review, and gave details as to progress. The board members were notified that no additional meetings with this group are scheduled as of this date.

Staffing

The need for an additional music teacher was presented by Dr. Aragona and it was agreed that he could add an item on the Action Agenda for October 13th to employ a person discussed, or an alternative.

Mr. Bell asked for board member agreement that the Animal Shelter be permitted to put flyers out through the schools in a fund raising project. This was discussed and agreed to by a majority consensus vote.

Moving of smoking areas, as previously discussed, was questioned and agreement was made by Administration that immediate action would be taken.

The daytime negotiation meeting for Central Administration was tentatively set with Mr. Wolf for October 20th.

At 10:00 p.m. motion was made by Mr. Bittmann, seconded by Mrs. Benton and carried to adjourn this meeting.

Respectfully submitted,
