or interscholastic athletics in Grades 7-12. It shall also include special education students participating in the Special Olympics in Grades K-12. These medical examinations will be given by the medical inspector or designated team doctor no more than 60 days prior to the first practice session but not before July 1 of the year in which participation will take place. If requested by the parent or guardian of a student, the medical inspector or designated team doctor may accept the report of such an examination by a physician licensed to practice medicine in lieu of his own examination. If the medical examination is completed by a private physician, it must be completed on a medical examination form furnished by the District, which form shall include, as a minimum, that content approved by the Board in the regulations established pursuant to this policy. In the event a private physician is used, the medical examination shall not be at the expense of the Board. The regulations approved by the Board pursuant to this policy shall contain as a minimum all the requirements of N.J.A.C. 6:29-6.4.

The parents/guardians shall be sent written notification signed by the examining physician testifying to the pupil's physical fitness to participate in athletics. The reason for the physician's approval or disapproval of the pupil's participation shall be included in the notification. The health findings of the medical examination for participation in athletics shall be made part of the general health examination record.

SCHOOL HEALTH POLICY

Physical Examination of Students - The Board of Education subscribes to New Jersey State Law concerning the physical examination of students in school as follows and approves the following Regulations to implement its policy regarding the health of all student athletes:

ALL student athletes will be issued a preparticipation medical questionnaire form to be filled out by the parents or guardians and returned to their coach, administrator or private physician prior to August 1st for participation in fall sports, October 15th for participation in winter sports and February 1st for participation in spring sports. The form appended hereto shall be employed for this purpose.

ALL student athletes will be notified when the medical examinations will be performed. Make-up examinations will be announced and provided for all students who did not attend the initial medical examination.

ALL students who do not attend either the medical examination or make-up examination will then be required to visit their private physician at their own expense.

NO student athlete shall be permitted to participate in any practice game or contest without completion of the medical history questionnaire and medical examination forms with approval or approval with conditions from the physician. Medical examination forms B and C hereto shall be completed by the physician. Notification regarding student athletes' medical examinations will be forwarded to the parents or guardians from the School District.

ALL Certificates of Eligibility and Permission to Engage in Athletics will be signed by the parents or guardians and students. These certificates of eligibility must be returned to the administration or coach prior to ten days into practice. Form D appended hereto shall be employed for this purpose.

ALL injuries must be reported to the coach and/or school nurse as soon as possible. ALL forms pertaining to the injury must be returned to the school nurse as soon as possible.

ALL student athletes must have a medical examination prior to the beginning of that sport in season. This applies even where there has been no injury or serious illness preceding that sport as the student athlete must still report for a review examination.

Motion was made by Mr. Roblenski and seconded by Mrs. DeConde and carried unanimously by roll call vote items A-G under Auxiliary that the Board of Education accept reports submitted for the months as shown:

Personnel Teaching and Non-Teaching were the next categories reviewed and agreed upon.

PERSONNEL

Policy items were presented for approval; no smoking for students with the regulations, both on first reading, and additions and amendments to the school health policy with the regulations, both on second reading. The last item, the amendment to the school health policy on first reading, was briefly explained by Mr. Wolf as a State mandated policy whereby emergency procedures must be adopted in case a student is injured in intramural or inter-scholastic programs and what the chain of command for responsibility would be. He also noted that regulations would follow at a subsequent meeting.

POLICIES

Auxiliary items were presented. An adjustment was made by Dr. Aragona on the Annual Report of Violence and Vandalism.
