

half days.

Graduation dates are as follows:

Graduation
Dates

Thursday, June 21st - Middle school promotion exercises

Friday, June 22nd - High School graduation exercises

Monday, June 25th - Rain date/ High School graduation exercises

*Emergency closing on March 13, 1984 necessitates adjustment of school calendar to meet the 180 day school requirement.

A discussion item to review a memo from Mr. Bell regard arbitration costs was next discussed. The many questions in Mr. Bell's memorandum were discussed and answers given with Mr. Anton also giving input to this matter.

Questions were asked by members of the audience with regard to newspaper articles on asbestos, and also on problems in the Special Education area. Mr. Stutts at this time made arrangements with Mr. Ross Nagel, asbestos testing engineer, to be present on April 24th to give a public presentation on asbestos in the Brick Township schools.

Questions were asked as to items on the voucher bills and additional discussion took place on what audience members believed are deficiencies in our special education program.

Mr. Tremper noted his negative vote on hiring of new personnel was because of lack of receipt of requested information, not on any particular item in those sections.

Closing statements were made by board members, and the two new members were again welcomed and congratulated.

At 10:05 p.m. motion was made by Mrs. Benton, seconded by Mr. Bell and carried unanimously to adjourn this meeting.

Respectfully submitted,

Josephine Damadio
