

DISCUSSION

Mr. Chrobocinski spoke on the building fund for a warehouse. At a recent Township Council meeting, several acres of land were put up to be auctioned. The Board Members may want to approach the Council and ask them to reconsider and turn this property over to the School Board for a future warehouse.

Mr. Cline was privileged to be invited as a participant in the Brick 2000 Committee. He suggested that Mr. Mercer represent the school district on the Recreation Committee. He also suggested that Mr. Mercer meet with Mr. Chrobocinski to discuss the details of this available property.

Mr. Cline asked the attorney the appropriate procedure on splitting motions. Mr. Montenegro said the proper and appropriate procedure would be when you have a list of items, you may ask that item lines be handled by individual vote or separate vote. Once the motion is made, there should be a vote in its entirety. In terms of sub-sections of categories, there should be no further breakdown of line items within particular items that are not line items within the sub-section.
