After lengthy discussion of the required \$11.95 entrance fee for each band member and the possible tie-in of Six Flags "selling" tickets for Great Adventure, the board took a consensus of opinion and it was agreed that the children may participate on May 16th.

Further discussion of request for board to pay for necessary bus transportation was held. It was directed that no child be denied the opportunity to participate for the lack of funds to pay the necessary entrance fee; that the parent group would see that they raised sufficient funds to cover all students who wished to compete. It was also made known that if the Field Trip Account for Lake Riviera School does not have funds for said buses (2) at \$225.00 each that it is the responsibility of the parents to raise that additional cost also. The buses are to take the children from Brick to Glassboro and return to Brick. The buses are not to transport any children from Glassboro to Great Adventure.

At 9:05 p.m. Mr. Schue ended this public session and called a ten minute recess before opening up the Pre-Agenda Meeting.
