TEACHER
AIDE
L.
MOHRDIECK

Under Important Dates, Mr. Roblenski mentioned that schools would be closed the following dates:

IMPORTANT
DATES

February 12 thru the 16th for President's Holiday.

Mr. Roblenski also mentioned that the next meeting would be a Combined Meeting on Thursday, March 12, 1987. The meeting will be a departure from the usual meeting as Pre-Agenda, Regular Meeting and Budget Hearing are being combined in one meeting.

AUDIENCE

The meeting was then opened to the public for comments or questions. The PTA President from Drum Point School asked many questions regarding the leaks in certain rooms at Drum Point School. Following her comments, many other concerned parents from that school voiced similar concerns for the health and safety of their children due to the constant leaks in the roof at Drum Point School. Mr. Wolf and Mr. Stutts explained that there are many extenuating circumstances which have caused delays in completing the roofing project at Drum Point School. The entire rear section of the roof was repaired last fall and one third of the center section was completed before the cold weather caused the work to be halted. The product used to repair the roofs may not be used when temperatures are below 40 degrees.
