Motion was made by Mr. Cevalasco, seconded by Mrs. Russell to approve items (a through K) under Personnel-Teaching. Before a vote was taken, much discussion was held regarding several of the items. Mr. Stites asked if the contract of item (k) had been altered in any way. Mr. Cevalasco stated that it is now only for one year. Mr. Sendzik explained that the Board is approving salaries for one year but contract terms have not been changed. Mr. Sendzik presented an amended version of item (k) and Mr. Cevalasco and Mrs. Russell withdrew their motion and second on the motion containing the original version of item (k). Mr. Leahy mentioned that he would like to table item (k), but there was no second. Motion was again made by Mr. Cevalasco, seconded by Mrs. Russell to approve items (A through j). Discussion ensued regarding item (j) which was to employ a new teacher. Board members wanted more backup information regarding

Mr. Leahy asked to read a letter he had received from Scott MacFadden, Business Administrator for the Township. In the letter, Mr. MacFadden listed the services that the Township provides to the Board of Education at no cost, such as garbage collection from the schools; street and parking lot sweeping; general improvement to Board of Education property; i.e., soccer fields at the Vets Complex, improvements at Lake Riviera Middle School and Midstreams School, acquisition of land at Midstreams School and the McCormick Tract. Exact text of letter on file in the Board Office. Mr. Leahy feels we should keep a spirit of cooperation with the Township. Discussion was held among Board Members regarding this letter and the possibility of asking the Township for \$250,000. by July 1, 1989. Mr. Stutts stated that June 1 would have been the latest date to approve changing the tax schedule so any change would have to be done for next year.
