Mr. Huber explained that Policy #5145.21, Freedom of Speech and Religion was still in the process of being reviewed. Mr. Gross, audience, asked how many districts in the State of New Jersey have this policy in effect. There are over 600 school districts in New Jersey. Dr. Nicastro contacted the New Jersey School Boards Association and they indicated that they know of no district in the State with a policy like this.

The Buildings & Grounds Committee have been meeting with various groups. Mr. Eremita has been making presentations along with Dr. Normandia and Dr. Nicastro and, at this point, the Committee is gathering information and providing groups with what the immediate needs are. In January the Committee will be coming back to the Board with a report of the findings.
