Personnel Non-Teach. Dr. Nicastro presented Personnel Non-Teaching items. Informational:

1. Custodial/Maintenance Safety Awareness Program.
The school district received a comprehensive program from the Brick Police Department on school safety and safety awareness. In the beginning of this school year, an in-service was held for the custodial and maintenance staff members. At the in-service, Detective Reinhart from the Brick Police Department gave an extensive presentation on school security. It was very informative. Dr. Nicastro supplied the Board Members with an outline of the agenda from that meeting. He will forward a letter to the Mayor, Council and Police Chief commending the Police Department for their ongoing support and working with the school district throughout the summer at security summit meetings, and also with extending their support and expertise to other departments in the schools.
