Personnel Teaching Dr. Normandia presented Personnel Teaching items.

- Dr. Boyan referred to items (h, i and j). He met with different applicants on a number of occasions to interview for these positions. He voiced his commendation for administration. The three candidates chosen are existing members of the Brick Township education system. We are encouraging people within the system to strive to be better and, in the long run, that encourages people looking for positions coming into the system at beginning levels to know that they can move ahead.

- Mr. Paredes referred to items (k and l) and requested clarification of per diem salary for those employees. Dr. Nicastro explained that procedurally the 1999-00 salary was previous approved and these motions are requesting to pay those persons the per diem of that salary. We will forward that information to the Board.

Approve Personnel Teaching Motion was made by Mr. Bendokas, seconded by Mrs. Kelly, with the following roll call vote to approve Personnel Teaching Items (a) through (r): Dr. Boyan, yes; Mr. Bendokas, yes; Mr. Paredes, abstain; Mrs. Kelly, yes; Mr. Pannucci, yes
