Mr. Stutts also received agreement from board members to include an item on the Pre-Agenda relating to acceptance of Title I funds.

Budget

At 8:08 p.m. review of the proposed 1983-84 Budget was continued. The first account referred to was the 100 Account at which time Mr. Williams had questions on cut-backs in the clerical department. The monies shown in the 130A account were discussed from the many areas that the total amount covers. Among the things covered in this account is board member attendance at school functions, and it was agreed that it may be feasible to have a monthly list of affairs on the pre-agenda and board members could indicate their wish to attend a particular one, in order that these banquets could have some representation from the Board of Education present.
