

Mr. Gialanella introduced the Brick Memorial High School Baseball team who appeared unexpectedly. The Captains addressed the Board and thanked them for approving their trip to Florida.

Dr. Nicastro told the audience that there have been many high points in his time in the Administration for Brick Township but Tuesday night was a low point, with the budget defeated by less than fifty votes. Staffing the new classrooms which were voted on in September by a three to one vote is now going to be difficult. The Township Council now has a responsibility to review our budget. Because our budget is below the spending range, about 8 - 10% below the minimum, that has been determined by the Department of Education to provide a thorough education, it must be reviewed by the Commissioner of Education. The review meeting has been scheduled for Thursday, May 2nd, 7:30 p.m. when the Administration will give a presentation on the Budget in Council Chambers. This meeting will be an open public meeting and will be advertised. Dr. Nicastro said that he is confident that we will be able to convince the Town Council that the money we are requesting is reasonable for what we need and what we do here for children. I'd like to take this opportunity to thank the Board Members, those parents and those community members who did come out to vote yes. We are optimistic that by May 20th, the deadline for this matter to be resolved, we will have a budget for next year.

Lesson plans, parent conferences etc are being done by this substitute. Mr. Gialanella added that this substitute is a certified teacher.
