Dr. Nicastro asked that item (r) be held until after executive session so that the full board could get a comprehensive review.

When asked if there were questions from the public on Personnel Teaching the following people spoke:

Shannon Zehrer, 741 Durham Terrace, as a past Cheerleader fund-raised until this past February. Where will this money go? Dr. Nicastro answered that this is a question that is being looked into. Mr. Montenegro confirmed that some of these issues have not been resolved.

Mrs. Earl, Brick, asked if the money was fund-raised to sponsor the cheerleaders should that money be returned to the sponsors who gave it? Dr. Nicastro replied that the question is what authority does the Board or Administration have over this account. This is being investigated at this time. He added, this is not the type of accounting we practice here in the school district.

Faith Gleason, 115 Sullivan Road, asked why a reputable coach and cheerleading judge was removed from her position? Dr. Nicastro answered that the Superintendent is entrusted with

making recommendations to the Board. He explained the process including that the Athletic Director, Building Principal and Assistant Superintendent agree with the recommendation. He supplied the Board with the reasons for the recommendation for non-renewal. The employee has been notified. The employee can pursue options to present a case against the recommendation. In answer to concerns about Cheerleading, Mr. Gialanella said try outs will be next week. Camp discussion will be between the Coach and the students.

Joanne Lutick, 677 Millbrook Road, expressed concern that opportunities are being missed because of the late start of Cheerleading. Dr. Nicastro explained that Coaching could not begin until after Board approval. She told Dr. Nicastro that the Athletic Director told her that he would advise the coach not to have a competition team this year. Mr. Gialanella agreed to speak to Mr. McGuire regarding the "competition team" issue. More information will be available now that the Coach has been appointed.

Christine Earl, 4 Rocky Mount Boulevard, Cheerleading student, has a summer job. In answer to her concern that it's late to tell her employer that she needs time off, Dr. Nicastro assured her that special accommodations will be made because of the circumstances.

Linda Adrenti, Jefferson Court, told the Board and audience that Crystal Handchen did a great job. She expressed disappointment at the decision and wished that there had been better communication between the Coach and parents.

Karen Autenrieth, 206 Sunrise Street, told the audience that in the past, Dr. Normandia told her that left over money was raised in the name of the Brick Township School District and should remain with the team.

Henry Drew, Brick, asked Mr. Gialanella what are the qualifications of the candidate recommended for Head Cheerleading Coach? Mr. Gialanella responded that she was recommended by Mr. McGuire, after the interview process.

Patricia Donatello, told the Board that that they have lost sight of what is most important - the children. After explaining the process for non-renewal, Dr. Nicastro told the audience that he is not happy to do this. Mrs. Kelly told Mrs. Donatello that they are concerned with the children.

Concetta Murphy, 417 16th Avenue, applauded the Board decision saying that it is in the best interest of the girls. Dr. Nicastro and Mr. Montenegro told her that she cannot speak negatively about an employee.

Cynthia McCarthy, 38 Marlow Avenue, told the Board and audience that she is a little angry tonight, Mrs. Handchen is her sister. She asked Dr. Nicastro if the board members have his reasons for Mrs. Handchen's non-renewal. Dr. Nicastro responded that they have a summary of the reasons. Mrs. Handchen is entitled to a written list of reasons within thirty days of requesting it. Ms. McCarthy defended the integrity of both the Handchen and Marousis families.

Stacey Marousis made a comment about the seriousness of this matter.

Dr. Nicastro made this comment to the last two speakers: This is my recommendation and is not about a Board of Education's recommendation. The Board of Education did not have any influence over my recommendation. This is my recommendation based on my investigation, based on my discussion with people. This was not done lightly.

Henry Drew, Brick, asked if Mr. Gialanella does not personally know the qualifications of the candidate how can she be recommended for approval? Mrs. Kelly answered that the vote was based on the recommendation by the Athletic Director, the professional who they hired.

William McCarthy, 38 Marlow Avenue, angrily announced that he heard about the decision from a standing board member in a bar. Mr. Bendokas offered to respond but Mr. McCarthy declined the offer.

Richard Kight, 148 Maryland Drive, questioned the three minute rule. Mr. Montenegro told him that the policy has been around since 1989 under by-laws 5390. Each statement made by a participant shall be limited to three-minute duration. Of course, the president has the flexibility to modify that rule based upon the issue and the number of people who want to speak. If the President of the Board chooses to invoke it, as he has, then it is complied with as an existing policy of the Board.

Cynthia McCarthy, 38 Marlow Avenue, said she is glad her sister is not coaching anymore, but would have preferred that after all

her service and loyalty to the district, she had left on better terms. She spoke of inconsistencies in the system.

Patricia Donatello, said in case the position does not get voted on tonight, that she wanted to add her positive comments regarding Mrs. Handchen and her coaching ability.
