RE : Public Records Request

Dear Olivia Benson

The Mahwah Township Public Schools is in receipt of your Open Public Records Act (OPRA) request that was received by the Business Office on Thursday, August 25, 2022. As such, the seven (7) business day deadline to respond to your request is Tuesday, September 6, 2022. This response is being provided to you on the sixth (6th) business day after the receipt of said request by the records custodian.

Your OPRA request sought access to the following:

1. Information pertaining to Slide 2 of the Comprehensive Health and Physical Education Standards Presentation from the August 10, 2022, Board of Education Meeting. (See attached request for the full information request)

The Following is the District's response to your request:

1. The District does not have records that are responsive to the level of specificity asked for in your request. Information provided on slide #2 was derived from public State records and professional development meetings held by the New Jersey Department of Education and the New Jersey Principal and Supervisors Association. For the information that was derived from public State records, those records can be found by accessing the links below.

If your request for access to a government record has been denied or unfilled within the seven business days required by law, you have a right to challenge the Board's decision to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the GRC by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at (866) 850-0511, by mail at P.O. Box 819, Trenton, New Jersey, 08625, by e-mail at grc@dca.state.nj.us, or at their website at www.state.nj.us/grc. The Council can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.
