Dr. Dale Caldwell
President, New Brunswick Board of Education
268 Baldwin Street
New Brunswick, NJ 08901

Dear Dr. Caldwell,

I am writing to inform you that my family and I will be relocating to a new home outside of New Brunswick. Therefore, I will resign from my position as a New Brunswick Board of Education member as of today, October 18th, 2021.

My time on the board has been an invaluable learning experience and I have thoroughly enjoyed my time serving. I remain committed to helping New Brunswick Public Schools in any way that I can even if I can no longer serve on the Board of Education.

I wish you, the other New Brunswick Board of Education members, staff, faculty and students of New Brunswick Public Schools all the best. I thank you for allowing me the opportunity to serve on the board.

Sincerely,

Jennifer Shukaitis
